

human populations to nitrogen dioxide or other oxides of nitrogen; and (c) ecological studies of the effects on agricultural crops and natural terrestrial and/or aquatic ecosystems of ambient exposures to nitrogen dioxide or other oxides of nitrogen. These and other selected literature relevant to a review of the NAAQS for oxides of nitrogen will be assessed in the forthcoming revised Oxides of Nitrogen AQCD. One or more drafts of the Oxides of Nitrogen AQCD are expected to be made available by EPA for public comment and CASAC review during 2006 and 2007. In addition, other opportunities for submission of new peer-reviewed, published (or in-press) papers will be possible as part of public comment on the draft documents that will be reviewed by CASAC.

II. How To Submit Information to the Docket

EPA has established an official public docket for information pertaining to the revision of the oxides of nitrogen criteria document. Submit your comments, identified by Docket ID No. EPA-HQ-ORD-2005-0029, by one of the following methods:

- <http://www.regulations.gov>: Follow the on-line instructions for submitting comments.
- E-mail: ORD.Docket@epa.gov.
- Fax: 202-566-1753; Office of Environmental Information (OEI) Docket in the Headquarters EPA Docket Center.
- Mail: Office of Environmental Information (OEI) Docket in the Headquarters EPA Docket Center (Mail Code 2822T), U.S. Environmental Protection Agency, 1200 Pennsylvania Avenue, NW., Washington, DC 20460. If you provide information in writing, please submit one unbound original, with pages numbered consecutively, and three copies. For attachments, provide an index, number pages consecutively with the main text, and submit an unbound original and three copies.
- Hand Delivery: Office of Environmental Information (OEI) Docket in the Headquarters EPA Docket Center, EPA West Building, Room B102, 1301 Constitution Ave., NW., Washington, DC. The EPA Docket Center Public Reading Room is open from 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding legal holidays. The telephone number for the public Reading Room is 202-566-1744, and the telephone number for the OEI Docket is 202-566-1752. Such deliveries are only accepted during the Docket's normal hours of operation, and special arrangements should be made for deliveries of boxed information.

Instructions: Direct your comments to Docket ID No. EPA-HQ-ORD-2005-0029. Please adhere to the specified submitting period. Information received or submitted past the closing date will be marked "late" and may only be considered if time permits. EPA's policy is that all comments received will be included in the public docket without change and may be made available online at <http://www.regulations.gov>, including any personal information provided, unless the comment includes information claimed to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Do not submit information that you consider to be CBI or otherwise protected through <http://www.regulations.gov> or e-mail.

The <http://www.regulations.gov> Web site is an "anonymous access" system, which means EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send an e-mail comment directly to EPA without going through <http://www.regulations.gov>, your e-mail address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the Internet. If you submit an electronic comment, EPA recommends that you include your name and other contact information in the body of your comment and with any disk or CD-ROM you submit. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider or may delay considering your comment. Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses. For additional information about EPA's public docket visit the EPA Docket Center home page at <http://www.epa.gov/epahome/dockets.htm>.

Docket: All documents in the docket are listed in the <http://www.regulations.gov> index. Although listed in the index, some information is not publicly available, e.g., CBI or other information whose disclosure is restricted by statute. Certain other material, such as copyrighted material, will be publicly available only in hard copy. Publicly available docket materials are available either electronically in www.regulations.gov or in hard copy at the OEI Docket, EPA/DC, EPA West, Room B102, 1301 Constitution Ave., NW., Washington, DC. The Public Reading Room is open from 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding legal holidays. The telephone number for the Public Reading Room is 202-566-1744,

and the telephone number for the OEI Docket is 202-566-1752; facsimile: 202-566-1753; or e-mail: ORD.Docket@epa.gov.

Notice of Availability of the Draft Quality Assurance Project Plan for the Alternative Asbestos Control Method Demonstration Project

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of document availability.

SUMMARY: The U.S. Environmental Protection Agency is submitting the draft Quality Assurance Project Plan (QAPP) for the Alternative Asbestos Control Method (AACM) Demonstration Project for independent external peer review. Prior to the meeting of the external peer review panel, there will be a 30-day public comment period. All comments received during this comment period will be shared with the external peer review panel for their consideration. The public release of this draft document is solely for the purpose of seeking public comment. This draft QAPP does not represent and should not be construed to represent any EPA policy, viewpoint, or determination. Members of the public may obtain the draft QAPP from <http://www.regulations.gov>; or from Dr. Neil Stiber via the contact information below. The U.S. EPA plans to perform a controlled demonstration to evaluate the AACM alongside the current National Emissions Standards for Hazardous Air Pollutants (NESHAP) method. A remote, secure location at Fort Chaffee, Arkansas, has been selected as the site for this demonstration demolition. To facilitate side-by-side comparison, the site has several similar structures with asbestos-containing materials. Additional information about this research project, including a description of the AACM and the project schedule, is available at <http://epa.gov/region6/6xa/asbestos.htm>.

DATES: Comments must be received on or before January 9, 2006.

Certain New Chemicals; Receipt and Status Information

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: Section 5 of the Toxic Substances Control Act (TSCA) requires any person who intends to manufacture (defined by statute to include import) a new chemical (i.e., a chemical not on the TSCA Inventory) to notify EPA and comply with the statutory provisions pertaining to the manufacture of new chemicals. Under sections 5(d)(2) and 5(d)(3) of TSCA, EPA is required to publish a notice of receipt of a premanufacture notice (PMN) or an application for a test marketing exemption (TME), and to publish periodic status reports on the chemicals under review and the receipt of notices of commencement to manufacture those chemicals. This status report, which covers the period from October 17, 2005 to October 28, 2005, consists of the PMNs pending or expired, and the
