DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[A-180-1430-EU: CACA 46353]

Non-Competitive Sale of Public Lands, Tuolumne County, California

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of realty action.

SUMMARY: The Bureau of Land Management (BLM) proposes a direct (non-competitive) sale of approximately 1.59 acres of public land in Tuolumne County, California pursuant to Sections 203 and 209 of the Federal Land Policy and Management Act of October 21, 1976 (90 Stat. 2750-51; 43 U.S.C. 1713, and 90 Stat. 2757-58, 43 U.S.C. 1719), and the Federal Land Transaction Facilitation Act of July 25, 2000 (Pub. L., 106-248), at not less than appraised market value. The approved appraised market value has been determined to be \$15,000.00 for approximately 1.59 acres. The following described public land has been determined to be suitable for direct (non-competitive) sale to Frank and Ana M. Rocha pursuant to Section 203 of the Federal Land Policy and Management Act of 1976 (FLPMA). This sale will resolve an inadvertent trespass by Frank Rocha.

Mount Diablo Meridian

T. 1 N., R. 14 E.,

Section 27, Lot 7

Containing 1.59 acres.

DATES: For a period of 45 days from the date of publication of this notice in the **Federal Register**, interested parties may submit comments pertaining to this action. The lands will not be offered for sale until at least 60 days after the date of publications of this notice in the **Federal Register**.

ADDRESSES: Send written comments concerning the proposed sale to the Bureau of Land Management, 63 Natoma Street, Folsom, California 95630.

FOR FURTHER INFORMATION CONTACT:

Additional information pertaining to the land sale, including relevant planning and environmental documentation, may be obtained from the Folsom Field Office at the above address. Jodi Lawson (916) 985-4474, is the BLM contact for this proposed sale.

SUPPLEMENTARY INFORMATION: The public land described in this notice has been determined to be suitable for direct (non-competitive) sale pursuant to Section 203 of the Federal Land Policy and Management Act of 1976 (FLPMA). The potential buyer of the parcel will make application under section 209 of FLPMA, to purchase the mineral estate along with the surface estate. BLM is disposing of this parcel because it is difficult and uneconomic to manage as part of the public lands of the United States. BLM is also proposing the sale to resolve an inadvertent trespass. This proposed sale is consistent with the Folsom Field Office Sierra Planning Area Management Framework Plan (July 1988), and the public interest will be served by offering the parcel for sale. The money from this sale will be used to purchase lands for the BLM, National Park Service, Forest Service, or Fish and Wildlife Service. Any available mineral interests would be conveyed simultaneously with the sale of the land. The mineral interests being offered for conveyance have no known mineral value. Acceptance of a direct sale offer will constitute an application for conveyance of those mineral interests. The applicant will be required to pay a \$50.00 non-returnable filing fee for conveyance of the available mineral interests.

The patent, when issued, will reserve a right-of-way thereon to Pacific Gas and Electric Power Company for a power transmission line constructed by the authority of the United States, Act of October 21, 1976 (43 U.S.C. 1701).

The State Director, who may sustain, vacate, or modify this realty action, will review objections to the sale. If there are no objections, this proposal will become the final determination of the Department of the Interior. Publication of this notice in the **Federal Register** will segregate the public lands from appropriations under the public land laws, including the mining laws, pending disposition of this action, or 270 days from the date of publication of this notice, whichever occurs first. Pursuant to the application to convey

the mineral estate, the mineral interests of the United States are segregated by this notice from appropriation under the public land laws, including the mining laws for a period of two years from July 29, 2005.

Dated: May 4, 2005.

D.K. Swickard,

Folsom Field Manager.

DEPARTMENT OF JUSTICE

[AAG/A Order No. 004-2005]

Privacy Act of 1974; System of Records

Pursuant to the Privacy Act of 1974 (5 U.S.C. 552a), the Department of Justice, Civil Rights Division (CRT), proposes to modify the following system of records previously modified and published in full text in the **Federal Register** on August 11, 2003 (68 Fed. Reg. 47611): Central Civil Rights Division Index File and Associated Records, JUSTICE/CRT-001.

CRT is adding one new routine use to this system of records. The records in this system of records are maintained by the Civil Rights Division in order to carry out its responsibilities to investigate and enforce federal statutes affecting civil rights. This routine use allows the disclosure of information explaining the Department's decision to close a criminal matter to the local community or public when the incident investigated has become a matter of public knowledge, the investigation is closed, and the Assistant Attorney General, Civil Rights Division, personally determines that, because there is a reasonable potential for civil unrest or a severe loss of confidence by the public in the investigative process, the disclosure of such information is appropriate. The release of information in the new routine use is compatible with the purpose of this system as use of the information is necessary and proper to carry out legitimate government purposes.

In accordance with 5 U.S.C. 552a(e)(4) and (11), the public is given a 30-day period in which to comment on the proposed new routine use disclosure. The Office of Management and Budget (OMB), which has oversight responsibility of the Act, requires a 40-day period in which to conclude its review of the system. Therefore, please submit any comments by August 29, 2005. The public, OMB and the Congress are invited to submit comments to: Mary Cahill, Management and Planning Staff, Justice Management Division, Department of Justice, Room 1400 National Place Building, NW., Washington, DC 20530. If no comments are received, the proposal will be

implemented without further notice in the **Federal Register**.

In accordance with 5 U.S.C. 552a(r), the Department has provided a report to OMB and Congress on the proposed new routine use.

Dated: July 20, 2005.

Paul R. Corts,

Assistant Attorney General for Administration.
