UGI Energy Services, Inc.; Notice of Issuance of Order

July 21, 2005.

UGI Energy Services, Inc. (UGI Energy) filed an application for market-based rate authority, with an accompanying rate tariff. The proposed rate tariff provides for the sales of capacity and energy at market-based rates. UGI Energy also requested waiver of various Commission regulations. On July 20, 2005, pursuant to delegated authority, the Director, Division of Tariffs and Market Development—South, granted the request for blanket approval under Part 34. The Director's order also stated that the Commission would publish a separate notice in the **Federal Register** establishing a period of time for the filing of protests. The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of UGI Energy issuances of securities or assumptions of liability.
