Annual State Domestic Violence Coalition Grantee Conference

State Coalitions should plan to send one or more representatives to the annual grantee conference. A subsequent Program Instruction and/or Information Memorandum will advise State Coalition administrators of the date, time, and location of their grantee conference.

Client Confidentiality

FVPSA programs must establish or implement policies and protocols for maintaining the safety and confidentiality of the victims of domestic violence, sexual assault, and

stalking. It is essential that the confidentiality of adult victims and their children receiving FVPSA services be protected. Consequently, when providing statistical data on program activities, individual identifiers of client records will not be used (See section 303(a)(2)(E)).

Stop Family Violence Postal Stamp

The U.S. Postal Service was directed by the "Stamp Out Domestic Violence Act of 2001" (the Act), Public Law 107-67, to make available a "semipostal" stamp to provide funding for domestic violence programs. Funds raised in connection with sales of the stamp, less reasonable costs, have been transferred to the U.S. Department of Health and Human Services in accordance with the Act during FY 2004 for support of services to children and youth affected by domestic violence. It is projected that additional revenues will be received during FY 2005. Subsequent to the receipt of the stamp proceeds, a program announcement will be issued providing guidance and information on the process and requirements for awards to programs providing services to children and youth.
