SUPPLEMENTARY INFORMATION:

I. Background

The Fair Labor Standards Act (FLSA), 29 U.S.C. 201 *et seq.*, sections 14(b)(1) and 14(b)(2) require the Secretary of Labor to provide certificates authorizing the employment of full-time students at 85 percent of the applicable minimum wage in retail or service establishments and in agriculture, to the extent necessary to prevent curtailment of opportunities for employment. These provisions set limits on such employment as well as prescribe safeguards to protect the full-time students so employed and full-time employment opportunities of other workers. Sections 519.3, 519.4 and 519.6 of Regulations, 29 CFR Part 519, Employment of Full-Time Students at Subminimum Wages, set forth the application requirements as well as the terms and conditions for the (1) employment of full-time students at subminimum wages under certificates and (2) temporary authorization to employ such students at subminimum wages. The WH-200 and WH-202 are voluntary use forms that are prepared and signed by an authorized representative of the employer to employ full-time students at subminimum wage. This information is used to determine whether a retail or service or agricultural employer should be authorized to pay subminimum wages to full-time students pursuant to the provisions of section 14(b) of the Fair Labor Standards Act. This information collection is currently approved for use through October 31, 2005.
