### Notice of Lodging of Settlement Agreement Under the Oil Pollution Act ("OPA")

Notice is hereby given that on November 4, 2005, a proposed Settlement Agreement in *In re Equinox Oil Co., Inc., et al.*, Civil Action Nos. 99-12688 and 99-13071 was lodged with the United States Bankruptcy Court for the Eastern District of Louisiana.

The United States and the State of Louisiana ("State") each filed a Proof of Claim in this jointly administered bankruptcy action, seeking natural resource damages, and the United States also sought removal costs paid by the Coast Guard to clean up oil that was discharged into the waters of Lake Grande Ecaille in Plaquemines Parish, Louisiana during a well blowout. The State and federal claims were authorized by the Oil Pollution Act ("OPA"). The well was owned by Alma Energy Corporation and operated by Equinox Oil Company, Inc. These companies filed for bankruptcy and subsequently were purchased by Elysium Energy, L.L.C. ("Elysium"), which assumed liability for these claims.

Under the Settlement Agreement, Elysium agreed to pay \$1.2 million to resolve the United States' and the State's natural resource damage claims, including costs to implement restoration projects on property near the location of the oil spill, past assessment costs, and estimated future restoration costs. The Coast Guard's removal costs were paid earlier.
