Notice of Lodging of Settlement Agreement Under the Oil Pollution Act ("OPA")

Notice is hereby given that on November 4, 2005, a proposed Settlement Agreement in *In re Equinox Oil Co., Inc., et al.*, Civil Action Nos. 99-12688 and 99-13071 was lodged with the United States Bankruptcy Court for the Eastern District of Louisiana.

The United States and the State of Louisiana ("State") each filed a Proof of Claim in this jointly administered bankruptcy action, seeking natural resource damages, and the United States also sought removal costs paid by the Coast Guard to clean up oil that was discharged into the waters of Lake Grande Ecaille in Plaquemines Parish, Louisiana during a well blowout. The State and federal claims were authorized by the Oil Pollution Act ("OPA"). The well was owned by Alma Energy Corporation and operated by Equinox Oil Company, Inc. These companies filed for bankruptcy and subsequently were purchased by Elysium Energy, L.L.C. ("Elysium"), which assumed liability for these claims.

Under the Settlement Agreement, Elysium agreed to pay \$1.2 million to resolve the United States' and the State's natural resource damage claims, including costs to implement restoration projects on property near the location of the oil spill, past assessment costs, and estimated future restoration costs. The Coast Guard's removal costs were paid earlier.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the proposed Settlement Agreement. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, PO Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *In re Equinox Oil Co., Inc., et al.*, D.J. BILLING CODE 4410-15-M

DEPARTMENT OF JUSTICE

Notice of Lodging of Amended Consent Decree Under the Comprehensive Environmental Response, Compensation and Liability Act

Notice is hereby given that on November 4, 2005, a proposed Amended Consent Decree in *United States v. Tecumseh Products Company*, Civil Action No. 03-C-401 (E.D. Wisc.) was lodged with the United States District Court for the Eastern District of Wisconsin.

In this action, the United States seeks the implementation of response actions at, and the reimbursement, pursuant to the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. 9601, *et seq.*, ("CERCLA"), of costs incurred by the United States in responding to a release or threat of release of hazardous substances in, the Upper River section of the Sheboygan River and Harbor Superfund Site in Sheboygan County, Wisconsin (the "Site"). The United States alleges that Tecumseh Products Company ("Tecumseh") arranged for disposal of hazardous substances in the Upper River portion of the Site and therefore is liable for the reimbursement of response costs and the performance of response actions under CERCLA.

On May 12, 2004, the United States District Court for the Eastern District of Wisconsin approved and entered a Consent Decree that requires Tecumseh to: (1) Implement those components of the

remedy set forth in a May 12, 2004 U.S. EPA Record of Decision that address the Upper River section of the Site: (2) pay at least \$2.1 million towards the United States' past site past response costs, which total approximately \$3.42 million; and (3) pay all future Upper River response costs incurred by the United States.

Under the proposed Amended Consent Decree, a third party, designated a "Work Party," would become party to the Amended Consent Decree and would be jointly and severally liable for completing the cleanup of the Upper River Section of the Site. Tecumseh, however, will continue to be liable for completion of the remedy. The Work Party has signed the Amended Consent Decree, and under the Decree's terms, the Work Party has voluntarily subjected itself to the jurisdiction of this Court and agreed to be bound by the terms of the Amended Consent Decree.

The Department of Justice will receive, for a period of thirty (30) days from the date of this publication, comments relating to the proposed Amended Consent Decree. Comments should be addressed to the Assistant Attorney General, Environmental and Natural Resources Division, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States v. Tecumseh Products Company*, DOJ Ref. #90-11-2-06440.

The proposed Amended Consent Decree may be examined at the office of the United States Attorney for the Eastern District of Wisconsin, 530 Federal Building, 517 East Wisconsin Avenue, Milwaukee 53202, and at U.S. EPA Region 5, 77 West Jackson Boulevard, Chicago, IL 60604. During the public comment period, the proposed Amended Consent Decree may also be examined on the following department of Justice Web site, <http://www.usdoj.gov/enrd/open.html>. A copy of the Consent Decree may also be obtained by mail from the Consent Decree Librar, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, or by faxing a request to Tonia Fleetwood, fax no. (202) 514-0097, phone confirmation number (202) 514-1547. In requesting a copy, please refer to the referenced case and enclose a check in the amount of \$24.50 (25 cents per page reproduction costs) (Amended Consent Decree only) or \$75.25 (Amended Consent Decree and

all appendices), payable to the U.S. Treasury.
