Name: Rebecca

Address: United States,

General Comment

I am the Eexecutive Director of a retirement community and my residents have been denied this coupon because we have been designated as a nursing home. I have written a letter to the TV Converter Box Program explaining this but no changes have been made. My residents all have individual rooms and seperate addresses (like an apartment building). This rule has caused us much frustration. Please look at it carefully. The senior population is one of the groups that need this coupon the most.
