

FOR FURTHER INFORMATION CONTACT: For information regarding the JIDP DEIS, contact Carol Kruse, Project Manager, Pinedale Field Office, 432 E. Mill Street, P.O. Box 768, Pinedale, Wyoming 82941. For technical air quality information contact Susan Caplan, Meteorologist, BLM, Wyoming State Office, 5353 Yellowstone Road, Cheyenne, Wyoming 82009. Ms. Kruse and Ms. Caplan may be contacted by telephone at (307) 367-5352 and (307) 775-6113, respectively.

SUPPLEMENTARY INFORMATION: On February 11, 2005, the BLM published in the **Federal Register** a Notice of Availability of a DEIS for the JIDP for public review and comment. On April 12, 2005, the BLM published notification in the **Federal Register** of its intent to prepare supplemental air quality information for the JIDP DEIS. Until the analyses and supplemental information were completed, the public was provided with additional time to submit comments on the air quality information contained in the DEIS. The analyses have been completed and the supplemental air quality information is now available for review.

A summary of the supplemental air quality information has been sent to affected Federal, State, and local government agencies and to interested parties. A copy of the full report is available from the Pinedale Field Office upon request.

How To Submit Comments

The BLM welcomes your comments on the supplemental air quality information prepared for the JIDP DEIS. The BLM asks that your comments specifically reference page number and paragraph in the report, where possible. Comments that contain only opinions or preferences will not receive a formal response; they will, however, be considered and included as part of the BLM decisionmaking process.

Written comments may be mailed directly or delivered to the BLM at: Jonah Infill Drilling Project DEIS, Project Manager, Bureau of Land Management, Pinedale Field Office, 432 East Mill Street, P.O. Box 768, Pinedale, Wyoming 82941.

You may also send your comments electronically to WYMail_Jonah_Infill@blm.gov. Please write "Attention: Carol Kruse" in the subject line.

To ensure full consideration by the BLM, all comment submittals must include the commenter's name and street address.

Comments, including the names and street addresses of each respondent, will be available for public review at the

Pinedale Field Office during regular business hours, Monday through Friday, except for Federal holidays. You comments may be published as part of the EIS process. Individual respondents may request confidentiality. If you wish to withhold your name or street address, or both, from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your written comments. Such requests will be honored to the extent allowed by law. We will not consider anonymous comments. All submissions from organizations or businesses will be made available for public inspection in their entirety.

Dated: June 21, 2005.

Alan L. Kesterke,

Associate State Director.

Notice of Public Meeting, Idaho Falls District Resource Advisory Council Meeting

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of public meeting.

SUMMARY: In accordance with the Federal Land Policy and Management Act (FLPMA) and the Federal Advisory Committee Act of 1972 (FACA), the U.S. Department of the Interior, Bureau of Land Management (BLM) Idaho Falls District Resource Advisory Council (RAC), will meet as indicated below.

DATES: The meeting will be held September 7 and 8, 2005 at the BLM Salmon Field Office, 50 U.S. Highway 93 South in Salmon, Idaho. The meeting will start at 1 p.m. September 7, with the public comment period as the first agenda item. The meeting will adjourn at or before 3 p.m. on the following day. This will be the final meeting of the 2004-05 session. The first meeting of the new session will be held in November or December.

SUPPLEMENTARY INFORMATION: The 15-member Council advises the Secretary of the Interior, through the Bureau of Land Management, on a variety of planning and management issues associated with public land management in the BLM Idaho Falls District (IFD), which covers eastern Idaho. At this meeting, topics we plan to discuss include:

- Sage Grouse Conservation strategies for the State of Idaho, if completed and released for public review.
