

Exchange provided the Commission with written notice of its intent to file this proposed rule change at least five business days prior to the date of filing the proposed rule change. In addition, the Exchange has requested that the Commission waive the 30-day pre-operative delay. The Commission believes that waiving the 30-day pre-operative delay is consistent with the protection of investors and the public interest because it would allow the Exchange to remain competitive with other exchanges that currently have similar rules in effect. For the reasons stated above, the Commission designates the proposal to become operative immediately.¹⁵

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in the furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

Paper Comments

- Send paper comments in triplicate to Jonathan G. Katz, Secretary, Securities and Exchange Commission, Station Place, 100 F Street, NE., Washington, DC 20549-9303.

All submissions should refer to File Number SR-Phlx-2005-32. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements

BILLING CODE 4710-29-P

DEPARTMENT OF STATE

[Public Notice 5153]

Statutory Debarment Under the International Traffic in Arms Regulations

ACTION: Notice.

SUMMARY: Notice is hereby given that the Department of State has imposed statutory debarment pursuant to Section 127.7(c) of the International Traffic in Arms Regulations ("ITAR") (22 CFR parts 120 to 130) on persons convicted of violating or conspiring to violate Section 38 of the Arms Export Control Act ("AECA") (22 U.S.C. 2778).

DATES: Date of conviction as specified for each person.

FOR FURTHER INFORMATION CONTACT:

David Trimble, Director, Office of Defense Trade Controls Compliance, Bureau of Political-Military Affairs, Department of State (202) 663-2700.

SUPPLEMENTARY INFORMATION: Section 38(g)(4) of the AECA, 22 U.S.C. 2778, prohibits licenses and other approvals for the export of defense articles or defense services to be issued to persons, or any party to the export, who have been convicted of violating certain statutes, including the AECA.

In implementing this section of the AECA, the Assistant Secretary for Political-Military Affairs is authorized by Section 127.7 of the ITAR to prohibit any person who has been convicted of violating or conspiring to violate the AECA from participating directly or indirectly in the export of defense articles, including technical data or in the furnishing of defense services for which a license or other approval is required. This prohibition is referred to as "statutory debarment."

Statutory debarment is based solely upon conviction in a criminal proceeding, conducted by a United States Court, and as such the administrative debarment proceedings outlined in Section 128 of the ITAR are not applicable.

The period for debarment will be determined by the Assistant Secretary for Political-Military Affairs based on the underlying nature of the violations, but will generally be for three years from the date of conviction. At the end of the debarment period, licensing privileges may be reinstated only at the request of the debarred person following the necessary interagency consultations, after a thorough review of the circumstances surrounding the conviction, and a finding that appropriate steps have been taken to mitigate any law enforcement concerns,

as required by Section 38(g)(4) of the AECA. It should be noted, however, that unless licensing privileges are reinstated, the person/entity remains debarred.

Department of State policy permits debarred persons to apply to the Director of Defense Trade Controls Compliance for an exception from the period of debarment beginning one year after the date of the debarment, in accordance with Section 38(g)(4) of the AECA and Section 127.11(b) of the ITAR. Any decision to grant an exception can be made only after the statutory requirements under Section 38(g)(4) of the AECA have been satisfied. Even if the exception is granted, the debarment continues until the end of the three-year period and subsequent reinstatement. In addition, the Department will not consider exceptions for those individuals or entities convicted of serious violations of the AECA and ITAR.

Exceptions may be made to this debarment determination on a case-by-case basis at the discretion of the Directorate of Defense Trade Controls. However, such an exception would be granted only after a full review of all circumstances, paying particular attention to the following factors: whether an exception is warranted by overriding U.S. foreign policy or national security interests; whether an exception would further law enforcement concerns that are consistent with the foreign policy or national security interests of the United States; or whether other compelling circumstances exist that are consistent with the foreign policy or national security interests of the United States, and that do not conflict with law enforcement concerns.

Pursuant to Section 38 of the AECA and Section 127.7 of the ITAR, the Assistant Secretary of State for Political-Military Affairs has statutorily debarred the following persons for a period of three years following the date of their AECA conviction:

(1) Mexpar International, Inc. a/k/a "Pasadena Aerospace" and "Aviation Logistics and Supply," July 30, 2004, U.S. District Court, Central District of California (Los Angeles), Case #: 03-CR-170-ALL.

(2) Ahmad Nahardani a/k/a "Alex Nahardani," August 9, 2004, U.S. District Court, Central District of California (Los Angeles), Case #: 03-170-AHM.

(3) Gabriela de Brea a/k/a "Gabriela Brea" and "Gabriela Lopez-Sosa," September 10, 2004, U.S. District Court, Central District of California (Los Angeles), Case #: 03-170-AHM.
