

I have determined that the damage in certain areas of the State of Mississippi, resulting from Hurricane Katrina beginning on August 29–October 14, 2005, is of sufficient severity and magnitude that special conditions are warranted regarding the cost sharing arrangements concerning Federal funds provided under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. 5121–5206 (the Stafford Act).

Therefore, I amend my declarations of August 29, 2005, and September 1, 2005, to authorize Federal funds for Public Assistance, at 90 percent of total eligible costs, except assistance previously approved at 100 percent.

This adjustment to State and local cost sharing applies only to Public Assistance acts and direct Federal assistance eligible for such adjustments under the law. The law specifically prohibits a similar adjustment for funds provided to States for Other Needs Assistance (Section 408), and the Hazard Mitigation Grant Program (Section 404). These funds will continue to be reimbursed at 75 percent of total eligible costs.

Please notify the Governor of Mississippi and the Federal Coordinating Officer of this amendment to my major disaster declaration.

This cost share is effective as of the date of the President's major disaster declaration.
