Over-the-Road Bus Accessibility Program Announcement of Project Selections

AGENCY: Federal Transit Administration, DOT.

ACTION: Notice.

SUMMARY: The U.S. Department of Transportation (DOT) Federal Transit Administration (FTA) announces the selection of projects to be funded under Fiscal Year 2005 appropriations for the Over-the-Road Bus (OTRB) Accessibility Program, authorized by Section 3038 of the Transportation Equity Act for the 21st Century (TEA-21). The OTRB Accessibility Program makes funds available to private operators of over-the-road buses to help finance the incremental capital and training costs of complying with DOT's over-the-road bus accessibility rule, published in the **Federal Register** on September 24, 1998.

FOR FURTHER INFORMATION CONTACT: The appropriate FTA Regional Administrator for grant-specific issues; or Blenda Younger, Office of Program Management, (202) 366-2053, for general information about the OTRB Program.

SUPPLEMENTARY INFORMATION: A total of \$6.9 million was made available for the program in FY 2005: \$5.2 million for intercity fixed-route providers and \$1.7 million for all other providers, such as commuter, charter, and tour operators. A total of 120 applicants requested \$33.7 million: \$19.5 million was requested by intercity fixed-route providers, and \$14.2 million was requested by all other providers. Project selections were made on a discretionary basis, based on each applicant's responsiveness to statutory project selection criteria, fleet size, and level of funding received in previous years. Because of the high demand for the funds available, most applicants received less funding than they requested, but almost all qualified applicants received some funding. The selected projects will provide funding for the incremental cost of adding lifts to 72 new vehicles, retrofitting 122 vehicles, and \$53,099 for training. Each of the following 93 awardees, as well as the 27 applicants who were not selected for funding, will receive a letter that explains how funding decisions were made.
