

members, in the development of the drug-testing program; and

(c) The importance or magnitude of the results or outcomes likely to be attained by the student drug-testing program.

(3) *Quality of Project Design.*

(a) The extent to which the project will be based on up-to-date knowledge from research and effective practice, including the methodology for the random selection of students to be tested and procedures outlining the collection, screening, confirmation, and review of student drug tests by a certified medical review officer;

(b) The extent to which the applicant identifies the drugs for which it plans to test and includes a rationale for the type of testing device it plans to use for each drug test;

(c) The quality of the applicant's plan to develop and implement a drug-testing program that includes—

(i) Detailed procedures for responding to a positive drug test, including parental notification and referral to student assistance programs, drug education, or formal drug treatment, if necessary; and

(ii) Clear consequences for a positive drug test.

(4) *Management Plan.*

(a) The extent to which the applicant describes appropriate chain-of-custody procedures for test samples and demonstrates a commitment to use labs certified by the Substance Abuse and Mental Health Services Administration (SAMHSA) to process student drug tests.

(b) The quality of the applicant's plan to ensure confidentiality of drug test results, including limiting the number of school officials who will have access to student drug-testing records.

(5) *Quality of Project Evaluation.*

(a) The extent to which the methods of evaluation include the use of objective performance measures that are clearly related to the intended outcomes of the project.

(b) The quality of the applicant's plan to collect data on the Government Performance and Results Act (GPRA) performance measure established by the Department for this program and to report these data to the Department.

Note: The Department has established the following GPRA performance measure for the School-Based Student Drug Testing program: the reduction of the incidence of drug use in the past month and past year. The Secretary has set an overall performance target that calls for the prevalence of drug use by students in the target population to decline by five percent annually.

Executive Order 12866

This notice of proposed requirements, priorities, and selection criteria has been reviewed in accordance with Executive Order 12866. Under the terms of the order, we have assessed the potential costs and benefits of this regulatory action.

The potential costs associated with the notice of proposed requirements, priorities, and selection criteria are those we have determined as necessary for administering this program effectively and efficiently.

In assessing the potential costs and benefits—both quantitative and qualitative—of this notice of proposed requirements, priorities, and selection criteria, we have determined that the benefits of the proposed requirements, priorities, and selection criteria justify the costs.

We have also determined that this regulatory action does not unduly interfere with State, local, and tribal governments in the exercise of their governmental functions.

Summary of potential costs and benefits: The potential cost associated with these proposed requirements, priorities, and selection criteria is minimal while the benefits are significant. Grantees may anticipate costs related to completing the application process in terms of staff time, copying, and mailing or delivery.

The primary benefit of these proposed requirements, priorities, and selection criteria is that grantees may reduce student drug use by supporting school-based student drug-testing programs.

Intergovernmental Review

This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. One of the objectives of the Executive order is to foster an intergovernmental partnership and a strengthened federalism. The Executive order relies on processes developed by State and local governments for coordination and review of proposed Federal financial assistance.

This document provides early notification of our specific plans and actions for this program.

BILLING CODE 4000-01-P

DEPARTMENT OF ENERGY

Office of Arms Control and Nonproliferation; Proposed Subsequent Arrangement

AGENCY: Department of Energy.

ACTION: Notice of subsequent arrangement.

SUMMARY: This notice is being issued under the authority of Section 131 of the Atomic Energy Act of 1954, as amended (42 U.S.C. 2160). The Department is providing notice of a proposed "subsequent arrangement" under Article 5 Paragraph 2 of the Agreement for Cooperation Between the Government of the United States of America and the People's Republic of Bangladesh Concerning Peaceful Uses of Nuclear Energy and the Government of the United States of America and the Government of the Republic of Korea Concerning Civil Uses of Atomic Energy.

This subsequent arrangement concerns the retransfer of U.S.-origin reactor parts to the Bangladesh Atomic Energy Commission's TRIGA Mark II research reactor from the Ministry of Science and Technology of the Republic of Korea. The items to be transferred are: Eight control rod drive motors; one servo motor; eight magnets; twenty-one limit switches; eight mounting barriers; three electro-mechanical choppers; six instruments and indicators for period, fuel and water temperature, and percent power; six rod position indicators; two mode switch assemblies; three potentiometers; five relays; ten magnetic-craft relays; five mercury wetted contact relays; three AC relays; twenty-one control panel circuit boards; 150 pilot lamps; and two fuel handling

tools. The Government of Bangladesh has provided formal assurances that the replacement parts will be subject to the U.S.-Bangladesh Agreement for Cooperation Concerning Peaceful Uses of Nuclear Energy upon entry in Bangladesh and will not be retransferred to a third party without prior approval of the United States.

In accordance with Section 131 of the Atomic Energy Act of 1954, as amended, we have determined that this subsequent arrangement will not be inimical to the common defense and security.

This subsequent arrangement will take effect no sooner than fifteen days after the date of publication of this notice.

For the Department of Energy.

Kurt Siemon,

Acting Director, Office of Nonproliferation Policy.
