

the purposes of determining critical circumstances. Therefore, for the reasons expressed above with respect to the PRC-wide entity, we determine that the increase in imports from Guangling were massive during the applicable relatively short period of time.

We preliminarily determine for the RSM companies and Jiangsu that no critical circumstances exist because we do not find massive imports over a relatively short period.

We will issue a final determination concerning critical circumstances for all producers/exporters of subject merchandise from the PRC when we issue our final determination in this investigation, which will be on February 16, 2005.

Case briefs or other written comments may be submitted to the Assistant Secretary for Import Administration no later than three days after the publication of the preliminary determination of critical circumstances in this proceeding. Rebuttal briefs limited to issues raised in the aforementioned case briefs will be due no later than two days after the deadline date for case briefs.

Suspension of Liquidation

With respect to Tianjin, Guangling and the PRC-wide entity for magnesium metal we will direct U.S. Customs and Border Protection ("CBP") to suspend liquidation of all unliquidated entries of magnesium metal from the PRC that were entered, or withdrawn from warehouse, for consumption on or after 90 days prior to the date of publication in the **Federal Register** of our preliminary determination in these investigation. In accordance with section 733(d) of the Act, with respect to the RSM companies and Jiangsu, we will make no changes to our instructions to the CBP with respect to the suspension of liquidation of all entries of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of our preliminary determination in the **Federal Register**.

This determination is issued and published in accordance with Sections 733(f) and 777(i)(1) of the Act.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: February 3, 2005.

FOR FURTHER INFORMATION CONTACT: Andrew McAllister or Yasmin Bordas, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-1174 or (202) 482-3813, respectively.

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department of Commerce ("Department") to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

Background

On June 30, 2004, the Department published a notice of initiation of administrative review of the antidumping duty order on certain polyester staple fiber ("PSF") from Korea, covering the period May 1, 2003, through April 30, 2004 (69 FR 39409). The preliminary results for the antidumping duty administrative review of certain PSF from Korea are currently due no later than January 31, 2005.

Extension of Time Limits for Preliminary Results

Because the Department requires additional time to review and analyze the supplemental questionnaire response, it is not practicable to complete this review within the originally anticipated time limit (*i.e.*, January 31, 2005). Therefore, the Department is extending the time limit for completion of the preliminary results to not later than May 31, 2005, in accordance with section 751(a)(3)(A) of the Act.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: January 28, 2005.

Barbara E. Tillman,

Acting Deputy Assistant Secretary for Import Administration.
