

The ACBSA provides advice to the Secretary and the Assistant Secretary for Health on blood safety policy issues which encompass broad public health and societal implications that cannot be resolved through analysis of scientific data alone.

DATES: All nominations must be received at the address below no later than 4 p.m. e.s.t. May 30, 2005.

ADDRESSES: All nominations should be mailed or delivered to Jerry Holmberg, Ph.D., Executive Secretary, Advisory Committee on Blood Safety and Availability, Office of Public Health and Science, Department of Health and Human Services, 1101 Wootton Parkway, Suite 250, Rockville, MD 20852.

FOR FURTHER INFORMATION CONTACT: Jerry Holmberg, Ph.D., Executive Secretary, Advisory Committee on Blood Safety and Availability, Office of Public Health and Science, Department of Health and Human Services, 1101 Wootton Parkway, Suite 250, Rockville, MD 20852. Telephone (301) 443-2331.

A copy of the Committee charter and a list of the current membership can be obtained by contacting Dr. Holmberg.

SUPPLEMENTARY INFORMATION: The ACBSA provides advice to the Secretary and the Assistant Secretary for Health on a broad range of policy issues regarding the collection, preparation, and distribution of blood and blood products, and regulations related to the transmission of communicable diseases. The range of policy issues that the ACBSA provides advice on includes: (1) Definition of public health parameters around safety and availability of blood supply; (2) broad public health, ethical and legal issues related to blood safety, and (3) the implications for blood safety availability of various economic factors affecting product cost and supply.

The ACBSA consists of 18 voting members. The Committee is composed of 12 members, including the Chair, and 6 representative members. The public members are selected from State and local organizations, advocacy groups, provider organizations, academic researchers, ethicists, private physicians, scientists, consumer advocates, legal organizations, and from among communities of persons who are frequent recipients of blood or blood products. The representative members are designated to serve as official representatives of the blood and blood products industry or professional organizations. The representative members shall represent the American Association of Blood Banks, one or two major distributors of blood on a rotating basis, a trade organization or

manufacturer of blood test kits or equipment, a company that produces leukoreduction processes, a major hospital organization that purchases blood and blood products, and a plasma protein therapeutic association.

Nominations

The Office of Public Health and Science is seeking nominations to fill several positions on the ACBSA that are scheduled to be vacated on September 30, 2005. The positions to be vacated are from both classifications—the public members and the representative members.

To qualify for consideration as a public member, individuals should possess authoritative knowledge in blood banking, transfusion medicine, plasma therapies, bioethics, and/or related disciplines. Public members will be selected from the categories previously described.

The terms of appointment for the representative member of the following also are scheduled to end: a trade organization or manufacturer of blood test kits or equipment, a company that produces leukoreduction processes, a major hospital organization that purchases blood and blood products, and a plasma protein therapeutic association. This notice is intended to solicit nominations from the blood and blood products industry and professional organizations of qualified candidates to serve as official representatives for the specified interest groups or industry.

Individuals are invited to serve as members of the Committee for overlapping three year terms. Public members of the Committee receive a stipend for attending Committee meetings, as well as for conducting other business in the interest of the Committee.

Pursuant to advance written agreement, members who are appointed as representatives of a particular interest group or industry serve without compensation. All members are authorized to receive prescribed per diem allowances and reimbursement for expenses incurred when performing travel to conduct Committee-related business matters.

Nominations should be typewritten. The following information should be included in the package of material submitted for each individual being nominated for consideration: (1) A letter of nomination that clearly states the name and affiliation of the nominee, the basis for the nomination (*i.e.*, specific attributes which qualify the nominee for service in this capacity), and a statement that the nominee is willing to serve as

a member of the Committee; (2) the nominator's name, address, and daytime telephone number, and the home and/or work address, telephone number and e-mail address of the person being nominated; and (3) a current copy of the nominee's curriculum vitae. The names of Federal employees should not be nominated for consideration of appointment for this Committee.

The Department makes every effort to ensure that membership of DHHS Federal advisory committees is fairly balanced in terms of points of view represented and the committee's function. Every effort is made to ensure that a broad representation of geographic areas, females, ethnic and minority groups, and the disabled are given consideration for membership on DHHS Federal advisory committees. Appointment to this Committee shall be made without discrimination on the basis of age, race, ethnicity, gender, sexual orientation, disability, and cultural, religious, or socioeconomic status.

Nominations must state that the nominee is willing to serve as a member of ACBSA and appears to have no conflict of interest that would preclude membership. An ethics review is conducted for each selected candidate. Therefore, individuals selected for nomination will be required to provide detailed information concerning such matters as financial holdings, consultancies, and research grants or contracts to permit evaluation of possible sources of conflict of interest.

Dated: April 25, 2005.

Jerry A. Holmberg,

Executive Secretary, Advisory Committee on Blood Safety and Availability.

Notice of Meeting: Secretary's Advisory Committee on Genetics, Health, and Society

Pursuant to Pub. L. 92-463, notice is hereby given of the seventh meeting of the Secretary's Advisory Committee on Genetics, Health, and Society (SACGHS), U.S. Public Health Service. The meeting will be held from 8:30 a.m. to 5:30 p.m. on June 15, 2005, and 8:30 a.m. to 5:30 p.m. on June 16, 2005, at the Bethesda North Marriott Hotel, 5701 Marinelli Road, North Bethesda, Maryland. The meeting will be open to the public with attendance limited to

space available. The meeting will be Webcast.

The topics of the first day are expected to be genetic discrimination, direct-to-consumer marketing of genetic tests, and coverage and reimbursement of genetic tests and services. The Committee aims to finalize a report on coverage and reimbursement of genetic tests and services after considering public comments. The topics for the second day are expected to include large population studies of gene-environment interactions and pharmacogenomics. Time will be provided each day for public comments.

Under authority of 42 U.S.C. 217a, section 222 of the Public Health Service Act, as amended, the Department of Health and Human Services established SACGHS to service as a public forum for deliberations on the broad range of human health and societal issues raised by the development and use of genetic technologies and, as warranted, to provided advice on these issues. The draft meeting agenda and other information about SACGHS, including information about access to the Webcast, will be available at the following Web site: <http://www4.od.nih.gov/oba/sacghs.htm>.

The Committee would welcome hearing from anyone wishing to provide public comment on any issue related to genetics, health and society. Individuals who would like to provide public comment or who plan to attend the meeting and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the SACGHS Executive Secretary, Ms. Sarah Carr, by telephone at 301-496-9838 or e-mail at sc112c@nih.gov. The SACGHS office is located at 6705 Rockledge Drive, Suite 750, Bethesda, MD 20892.

Dated: April 25, 2005.

LaVerne Stringfield,
Director, Office of Federal Advisory
Committee Policy.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Privacy Act of 1974: Revision to Existing System of Records

AGENCY: Child Care Subsidy Program, Office of the Assistant Secretary for Administration and Management (ASAM), Office of the Secretary, HHS.

ACTION: Notice of revision to an existing system of records.

SUMMARY: In accordance with the requirements of the Privacy Act, the Department of Health and Human Services (HHS) is publishing a notice of the revision of an existing system of records, 09-90-0200, Child Care Subsidy Program. The revised system will collect family income data from employees in the National Institutes of Health, as well as the Health Resources and Services Administration, the Food and Drug Administration (FDA), the Program Support Center (PSC), the Office of the Secretary (OS), the Administration on Aging (AoA), the Centers for Disease Control and Prevention and Agency for Toxic Substances and Disease Registry (CDC/ATSDR) and the Substance Abuse and Mental Health Services Administration (SAMHSA) who are already covered by this system, for the purpose of determining their eligibility for child care subsidies, and the amounts of the subsidies. It also will collect information from the employees' child care provider(s) for verification purposes, *e.g.*, that the provider is licensed. Collection of data will be by subsidy application forms submitted by employees. HHS is also revising the name of the General Accounting Office (GAO) in Routine Use number 5 because the name of that office has changed to the Government Accountability Office.

DATES: This revision does not add new routine uses for this system. This amendment will be effective without further notice on the day of its publication unless comments are received which would result in a contrary determination.

FOR FURTHER INFORMATION CONTACT: Child Care Subsidy Program Administrator, Office of Human Resources, Office of the Assistant Secretary for Administration and Management, U.S. Department of Health and Human Services, Room 300-E, 200 Independence Ave., SW., Washington, DC 20201. The telephone number is 202-690-6191.

SUPPLEMENTARY INFORMATION: The current Notice of System of Records covered only employees of OS, AoA, HRSA, SAMHSA, FDA, CDC/ATSDR and the PSC. Since that time, NIH has established a child care subsidy program for its employees. This amendment expands coverage of the Child Care Subsidy Program Records to include employees in NIH who are eligible for this program. The notice is published below in its entirety, as amended. HHS is also revising the name of the General Accounting Office in Routine Use number 5 because the name

of that office has changed to the Government Accountability Office.

Dated: April 25, 2005.

Robert Hosenfeld,
Deputy Assistant Secretary for Human Resources.
