SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-51671; File No. SR-Amex-2005-033]

Self-Regulatory Organizations; American Stock Exchange LLC; Notice of Filing of Proposed Rule Change and Amendment No. 1 Thereto To Amend Rule 918—ANTE(a)(4) Regarding Closing Rotations

May 9, 2005.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 17, 2005, the American Stock Exchange LLC ("Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in items I, II and III below, which items have been prepared by the Amex. The Amex submitted an amendment to the proposal on April 14, 2005.³ The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Amex proposes to amend Rule 918—ANTE (a)(4) to eliminate the requirement that a closing rotation be held in every option series at the end of every trading day. The text of the proposed rule change, as amended, is available on the Amex's Web site (<http://www.amex.com>), at the Amex's Office of the Secretary, and at the Commission's Public Reference Room.

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ See Form 19b-4 dated April 4, 2005 ("Amendment No. 1"). Amendment No. 1 replaced the proposal in its entirety.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Amex included statements concerning the purpose of and basis for the proposed rule change, as amended, and discussed any comments it received on the proposed rule change, as amended. The text of these statements may be examined at the places specified in item IV below. The Amex has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On May 20, 2004, the Commission approved the Amex's proposal to implement a new options trading platform known as the Amex New Trading Environment ("ANTE"). On May 25, 2004, the Amex began rolling out the ANTE System on its trading floor on a specialist's post-by-specialist's post basis. Amex Rule 918—ANTE (a)(4) currently requires an automatic trading rotation to be employed promptly after the close of trading on each trading day for every option series. The automated closing rotation is used to execute at-the-close orders received by the Exchange prior to the close. If no at-the-close orders are received in a particular option series, the ANTE System's automated closing rotation simply closes trading in that series. Orders may be entered, modified or cancelled into the ANTE System up to 4:02 p.m. or 4:15 p.m. for options on Exchange Traded Fund Shares, when the underlying Fund Share ceases trading at 4:15 p.m. Quotes may be submitted up until the commencement of the rotation in such series. The closing rotation may begin once the underlying security has closed.

The Exchange believes that use of the ANTE System during the last eleven months has shown that a closing rotation is not necessary and serves no purpose when no market-on-close or limit-on-close orders have been submitted. Therefore, the Exchange proposes to revise the text of Amex Rule 918—ANTE (a)(4) to provide that closing rotations shall only occur in those option series in which market-on-close and limit-on-close orders have been submitted.

2. Statutory Basis

The Exchange believes that the proposed rule change, as amended, is consistent with section 6(b) of the Act,⁴ in general, and furthers the objectives of section 6(b)(5) of the Act,⁵ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest; and is designed to prohibit unfair discrimination between customers, issuers, brokers and dealers.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change, as amended, will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received by the Exchange on this proposal, as amended.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission will:

A. By order approve such proposed rule change, or

B. Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change, as amended, is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File Number SR-Amex-2005-033 on the subject line.

Paper Comments

- Send paper comments in triplicate to Jonathan G. Katz, Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609.

All submissions should refer to File Number SR-Amex-2005-033. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Section, 450 Fifth Street, NW., Washington, DC 20549. Copies of such filing also will be available for inspection and copying at the principal office of the Amex. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-Amex-2005-033 and should be submitted on or before June 6, 2005.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁶
