Any irregularities will be promptly corrected.

On the closing of the acquisition transaction PNC will apply the same internal control and audit policies and procedures applied and enforced with respect to its pre-existing ERISA fiduciary asset management functions to the ERISA fiduciary asset management functions formerly associated with Riggs Bank.

11. In summary, the Applicants represent that the criteria of section 408(a) of the Act are satisfied for the following reasons: (a) The Title 31 Felony involved areas of business unrelated to employee benefit plans; (b) Riggs Bank has committed to a legal compliance program featuring written policies and procedures to prevent future illegal activity; (c) an independent audit requirement will further protect plans and their plan participants; (d) Riggs Bank's substantial investment in technological and system upgrades, as well as the wholesale replacement and upgrade of its compliance personnel and systems; and (e) the exemption will permit the bank(s) to engage in a broader variety of investments and services on behalf of client employee benefit plans which demand diverse investment opportunities.

General Information

The attention of interested persons is directed to the following:

(1) The fact that a transaction is the subject of an exemption under section 408(a) of the Act and/or section 4975(c)(2) of the Code does not relieve a fiduciary or other party in interest or disqualified person from certain other provisions of the Act and/or the Code, including any prohibited transaction provisions to which the exemption does not apply and the general fiduciary responsibility provisions of section 404 of the Act, which, among other things, require a fiduciary to discharge his duties respecting the plan solely in the interest of the participants and beneficiaries of the plan and in a prudent fashion in accordance with section 404(a)(1)(b) of the Act; nor does it affect the requirement of section 401(a) of the Code that the plan must operate for the exclusive benefit of the employees of the employer maintaining the plan and their beneficiaries;

(2) Before an exemption may be granted under section 408(a) of the Act and/or section 4975(c)(2) of the Code, the Department must find that the exemption is administratively feasible, in the interests of the plan and of its participants and beneficiaries, and protective of the rights of participants and beneficiaries of the plan;

(3) The proposed exemptions, if granted, will be supplemental to, and not in derogation of, any other provisions of the Act and/or the Code, including statutory or administrative exemptions and transitional rules. Furthermore, the fact that a transaction is subject to an administrative or statutory exemption is not dispositive of whether the transaction is in fact a prohibited transaction; and

(4) The proposed exemptions, if granted, will be subject to the express condition that the material facts and representations contained in each application are true and complete, and that each application accurately describes all material terms of the transaction which is the subject of the exemption.

Signed at Washington, DC, this 18th day of March, 2005.
