[Docket No. RP00-463-007]

Williston Basin Interstate Pipeline Company; Notice of Compliance Filing

March 16, 2005.

Take notice that on March 11, 2005, Williston Basin Interstate Pipeline Company (Williston Basin) tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, the following tariff sheets, to become effective July 1, 2002 and July 10, 2004 respectively:

Substitute Fourth Revised Sheet No. 237, Substitute Third Revised Sheet No. 237.

Williston Basin states that, in compliance with the Commission's findings in its March 3, 2005 "Second Order on Remand" (110 FERC ¶61,210), in the above referenced docket, it is making the instant filing to remove from its tariff provisions that were directed to be included to implement the CIG/Granite State policy. Williston Basin states that it seeks to remove such provisions to return Williston Basin's tariff to compliance with preexisting El Paso policy.

Any person desiring to protest this filing must file in accordance with Rule 211 of the Commission's Rules of Practice and Procedure (18 CFR

385.211). Protests to this filing will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. [Docket No. PF04-15-000]

Dominion Cove Point LNG, LP; Notice of New Public Comment Period (Scoping)

March 16, 2005.

On October 14, 2004, the Secretary of the Commission issued a "Notice of Intent To Prepare an Environmental Impact Statement (EIS) for the Proposed Dominion Cove Point LNG Expansion Project, Request for Comments on Environmental Issues, and Notice of Public Scoping Meetings and Site Visits (NOI)". On November 1, 2004, we identified additional stakeholders in the project area and extended the public comment period, which expired on December 10, 2004.

Dominion Transmission, Incorporated (DTI) has identified additional facilities for inclusion in its proposed project. In

order to provide adequate opportunity for newly identified stakeholders to become involved in our Pre-Filing Review Process, the Commission staff is opening a new public comment period. This comment period is specific to only those newly identified facilities. The Commission staff is particularly interested in learning about issues not already addressed or identified from the project's previous scoping period. Please note this public comment period will close on April 18, 2005.

The Commission staff has notified the newly identified stakeholders, and has invited them to participate in the ongoing pre-filing review. A copy of this letter, along with an enclosure that lists all the proposed facilities in Dominion's updated Cove Point LNG Expansion Project, may be viewed on the Commission's Web site, at <http://www.ferc.gov> (click on eLibrary and enter the docket number listed above).
