**International Services Surveys:  
 Cancellation of Five Annual Surveys**

**AGENCY:** Bureau of Economic Analysis, Commerce.

**ACTION:** Final rule.

**SUMMARY:** This final rule removes the reporting requirements for five annual surveys covering international trade in services. The five annual surveys being discontinued are: BE-36, BE-47, BE-48, BE-82, and BE-93. The surveys are being discontinued because they have been replaced by quarterly surveys that collect essentially the same information.

**DATES: Effective Date:** This final rule will be effective at 5 p.m. September 16, 2005.

**FOR FURTHER INFORMATION CONTACT:** Obie G. Whichard, Chief, International Investment Division (BE-50), Bureau of Economic Analysis, U.S. Department of Commerce, Washington, DC 20230; phone (202) 606-9890 or e-mail [obie.whichard@bea.gov](mailto:obie.whichard@bea.gov).

**SUPPLEMENTARY INFORMATION:** In the May 5, 2005 *Federal Register*, 70 FR 23811-23813, the Bureau of Economic Analysis (BEA) published a notice of proposed rulemaking to remove the reporting requirements for five annual surveys covering international trade in services. No comments on the proposed rule were received. Thus, the provisions in the proposed rule are adopted without change. This final rule amends 15 CFR part 801 by revising Section 801.9(b) to remove the reporting requirements for five annual surveys that collect data covering international trade in services. The five surveys are:

- BE-36, Foreign Airline Operators' Revenues and Expenses in the United States.
- BE-47, Annual Survey of Construction, Engineering, Architectural, and Mining Services Provided by U.S. Firms to Unaffiliated Foreign Persons.
- BE-48, Annual Survey of Reinsurance and Other Insurance Transactions by U.S. Insurance Companies with Foreign Persons.

BE-82, Annual Survey of Financial Services Transactions Between U.S. Financial Services Providers and Unaffiliated Foreign Persons.

BE-93, Annual Survey of Royalties, License Fees, and Other Receipts and Payments for Intangible Rights Between U.S. and Unaffiliated Foreign Persons.

BEA is removing the reporting requirements for these five annual surveys because the information is now being collected on four separate quarterly surveys. Specifically, the BE-9, Quarterly Survey of Foreign Airline Operators' Revenues and Expenses in the United States, replaces the BE-36 survey; the BE-25, Quarterly Survey of Transactions Between U.S. and Unaffiliated Foreign Persons in Selected Services and in Intangible Assets, replaces the BE-47 and BE-93 surveys; the BE-45, Quarterly Survey of Insurance Transactions by U.S. Insurance Companies with Foreign Persons, replaces the BE-48 survey; and the BE-85, Quarterly Survey of Financial Services Transactions Between U.S. Financial Services Providers and Unaffiliated Foreign Persons, replaces the BE-82 survey. BEA began collecting data on these quarterly surveys in 2004.

**Executive Order 12866**

This final rule has been determined to be not significant for purposes of E.O. 12866.

**Executive Order 13132**

This final rule does not contain policies with federalism implications as that term is defined in E.O. 13132.

**Regulatory Flexibility Act**

The Chief Counsel for Regulation certified to the Chief Counsel for Advocacy of the Small Business Administration that this rule will not have a significant economic impact on a substantial number of small entities as that term is defined in the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.* The factual basis for this certification was published in the proposed rule. No comments were received regarding the economic impact of this rule. As a result, no final regulatory flexibility analysis was prepared.

**Paperwork Reduction Act**

The surveys being discontinued by this rule have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act under the following OMB control numbers: 0608-0013 (BE-36 survey), 0608-0015 (BE-47 survey), 0608-0016 (BE-48 survey), 0608-0017 (BE-93 survey), and 0608-0063 (BE-82 survey). OMB approved the quarterly surveys under the following OMB control numbers: 0608-0068 (BE-9 survey); 0608-0067 (BE-25 survey); 0608-0066 (BE-45 survey); and 0608-0065 (BE-85 survey).

**List of Subjects in 15 CFR Part 801**

International transactions, Economic statistics, Foreign trade, Penalties, Reporting and recordkeeping requirements.

**J. Steven Landefeld,**

Director, Bureau of Economic Analysis.

■ For the reasons set forth in the preamble, BEA amends 15 CFR part 801, as follows:

**PART 801—SURVEY OF INTERNATIONAL TRADE IN SERVICES BETWEEN U.S. AND FOREIGN PERSONS**

■ 1. The authority citation for 15 CFR part 801 continues to read as follows:

**Authority:** 5 U.S.C. 301; 15 U.S.C. 4908; 22 U.S.C. 3101-3108; and E.O. 11961, 3 CFR, 1977 Comp., p. 86, as amended by E.O. 12318, 3 CFR, 1981 Comp., p. 173, and E.O. 12518, 3 CFR, 1985 Comp., p. 348.

■ 2. Section 801.9(b) is revised to read as follows:

**§ 801.9 Reports required.**

\* \* \* \* \*

(b) *Annual surveys.* (1) BE-29, Foreign Ocean Carriers' Expenses in the United States:

(i) *Who must report.* A BE-29 report is required from U.S. agents on behalf of foreign ocean carriers transporting freight or passengers to or from the United States. U.S. agents are steamship agents and other persons representing foreign carriers in arranging ocean transportation of freight and cargo between U.S. and foreign ports and in arranging port services in the United States. Foreign carriers are foreign persons that own or operate ocean going vessels calling at U.S. ports, including VLCC tankers discharging petroleum offshore to pipelines and lighter vessels destined for U.S. ports. They include carriers who own or who operate their own or chartered (United States or foreign-flag) vessels. They also include foreign subsidiaries of U.S. companies operating their own or chartered vessels as carriers for their own accounts.

Where the vessels under foreign registry are operated directly by a U.S. carrier for its own account, the operations of such vessels should be reported on Form BE-30, Ocean Freight Revenues and Foreign Expenses of United States Carriers. The Bureau of Economic Analysis may, in lieu of BE-29 reports required from foreign carriers' U.S. agents, accept consolidated reports from foreign governments covering the operations of their national shipping concerns when, in the Bureau's discretion, such consolidated reports would provide the required information. Where such reports are accepted, the individual reports from foreign carriers' U.S. agents will not be required.

(ii) *Exemption.* Any U.S. person otherwise required to report is exempted from reporting if the total number of port calls by foreign vessels handled in the reporting period is less than forty or total covered expenses are less than \$250,000. For example, if an agent handled less than 40 port calls in a calendar year, the agent is exempted from reporting. If the agent handled 40 or more calls, the agent must report unless covered expenses for all foreign carriers handled by the agent were less than \$250,000. The determination of whether a U.S. person is exempt may be based on the judgment of knowledgeable persons who can identify reportable transactions without conducting a detailed manual records search.

(2) BE-22, Annual Survey of Selected Services Transactions With Unaffiliated Foreign Persons:

(i) *Who must report—*(A) Mandatory reporting. A BE-22 report is required from each U.S. person who had transactions (either sales or purchases) in excess of \$1,000,000 with unaffiliated foreign persons in any of the covered services during the U.S. person's fiscal year. The determination of whether a U.S. person is subject to this mandatory reporting requirement may be judgmental, that is, based on the judgment of knowledgeable persons in a company who can identify reportable transactions on a recall basis, with a reasonable degree of certainty without conducting a detailed manual records search.

(B) *Voluntary reporting.* If, during the U.S. person's fiscal year, the U.S. person's total transactions (either sales or purchases) in any of the covered services is \$1,000,000 or less, the U.S. person is requested to provide an estimate of the total for each type of service. Provision of this information is voluntary. The estimates may be judgmental, that is, based on recall, without conducting a detailed manual records search.

(C) Any U.S. person receiving a BE-22 survey form from BEA must complete all relevant parts of the form and return the form to BEA. A person that is not subject to the mandatory reporting requirement in paragraph (b)(2)(i)(A) of this section and is not filing information on a voluntary basis must only complete the "Determination of reporting status" and the "Certification" sections of the survey. This requirement is necessary to ensure compliance with the reporting requirements and efficient administration of the survey by eliminating unnecessary followup contact.

(ii) *Covered services.* The covered services are: Advertising services; auxiliary insurance services (by non-insurance companies only); educational and training services; financial services (purchases only by non-financial services providers); medical services, inpatient (receipts only); medical services, other than inpatient (receipts only); merchanting services (receipts only); mining services; disbursements to fund news-gathering costs of broadcasters; disbursements to fund news-gathering costs of print media; disbursements to fund productions costs of motion pictures; disbursements to fund production costs of broadcast program material other than news; disbursements to maintain government tourism and business promotion offices; disbursements for sales promotion and representation; disbursements to participate in foreign trade shows

(purchases only); other trade-related services; performing arts, sports, and other live performances, presentations, and events; primary insurance premiums (payments only); primary insurance losses recovered; sale or purchase of rights to natural resources, and lease bonus payments; use or lease of rights to natural resources, excluding lease bonus payments; waste treatment and depollution services; and other private services (language translation services; salvage services; security services; account collection services; satellite photography and remote sensing/satellite imagery services; space transport (includes satellite launches, transport of goods and people for scientific experiments, and space passenger transport); and transcription services).
