Notice of Availability of the Cascade-Siskiyou National Monument Proposed Resource Management Plan and Final Environmental Impact Statement

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of availability.

SUMMARY: In accordance with the Federal Land Policy and Management Act (FLPMA) of 1976 and the National Environmental Policy Act (NEPA) of 1969, the Bureau of Land Management (BLM) has prepared a Proposed Resource Management Plan (PRMP) and Final Environmental Impact Statement (FEIS) for the Cascade-Siskiyou National Monument (CSNM). This planning activity encompasses approximately 52,947 acres of public land located in Jackson County in southwestern Oregon. The BLM has and will continue to work closely with all interested parties to identify management decisions that best protect public lands in the monument. Final decisions will supercede the Medford District Resource Management Plan completed in 1995 for lands within the CSNM area and provide direction for management of these public lands.

DATES: Publication of the Environmental Protection Agency (EPA) Notice of Availability initiates a 30 day protest period. BLM Planning Regulations (43 CFR 1610.5-2) states that any person who participated in the planning process, and has an interest that may be adversely affected, may protest. The protest must be filed within 30 days of the date that the EPA publishes this notice in the **Federal Register**. Instructions for filing of protests are described in the "Dear Interested Party" letter of the CSNM PRMP/FEIS and

included in the **SUPPLEMENTARY INFORMATION** section of this notice.

Comments on the Proposed Plan and Final EIS may be submitted to Medford District Office, Attn: Howard Hunter, Project Manager, at the address listed below.

ADDRESSES: Copies of the CSNM PRMP/FEIS have been sent to affected Federal, state, and local government agencies and to known interested parties. The PRMP/FEIS is available for public inspection at the Medford District Office in Medford, Oregon, during regular business hours (7:45 a.m. to 4:30 p.m., Monday through Friday, except holidays). Interested persons may also review the PRMP/FEIS on the Internet at <http://www.or.blm.gov/Medford/CSNM>.

FOR FURTHER INFORMATION CONTACT:

Howard Hunter, Project Manager, Bureau of Land Management, 3040 Biddle Road, Medford, Oregon, 97504, telephone (541-618-2256) or fax (541-734-2400).

SUPPLEMENTARY INFORMATION: The proposed management described in the PRMP/FEIS was developed based on the four alternatives examined in the Draft RMP/EIS (2002) and subsequent public review and comment on the Draft RMP/EIS (June 2002-December 2002).

The proposed management detailed in the FEIS addresses vegetation management, transportation and access, livestock grazing, recreation, visitor use, facilities, and rights-of-way. The PRMP describes a management strategy for meeting the primary goals of the proclamation. An approved RMP/Record of Decision is expected to be available for the public by February 2005 after resolution of any protests.

Comments on the Draft RMP/EIS received from the public and internal BLM review comments were incorporated into the proposed plan where appropriate. Public comments resulted in some additional analysis and the addition of clarifying text, but did not significantly change proposed land use decisions.

Instructions for filing a protest with the Director of the BLM regarding the PRMP/FEIS may be found at 43 CFR 1610.5. A protest may only raise those issues which were submitted for the record during the planning process. E-mail and faxed protests will not be accepted as valid protests unless the protesting party also provides the original letter by either regular or overnight mail postmarked by the close of the protest period. Under these conditions, BLM will consider the e-mail or faxed protest as an advance copy and it will receive full consideration. If you wish to provide BLM with such

advance notification, please direct faxed protests to the attention of the BLM protest coordinator at 202-452-5112 and emails to Brenda_Hudgens-Williams@blm.gov. Please direct the follow-up letter to the appropriate address provided below. To be considered complete, your protest must contain (at minimum) the following information:

(1) Name, mailing address, telephone number and the affected interest of the person filing the protest(s).

(2) A statement of the part or parts of the proposed plan and issues being protested. To the extent possible, this should be done by reference specific pages, paragraphs, and sections of the FEIS.

(3) A copy of all documents addressing the issue or issues which were submitted during the planning process or a reference to the date the issue or issues were discussed by the person participating for the record.

(4) A concise statement explaining why the proposed decision is believed to be incorrect. This is a critical part of your protest. Document all relevant facts, as much as possible. A protest merely expressing disagreement with the State Director's proposed decision without providing any supporting data will not be considered a valid protest.

All protests must be in writing and mailed to the following address:

Regular Mail: Director, WO-210/LS-1075, Bureau of Land Management, Attn: Brenda Hudgens-Williams, Department of the Interior, P.O. Box 66538, Washington DC, 20240.

Overnight Mail: Director, WO-210/LS-1075, Bureau of Land Management, Attn: Brenda Hudgens-Williams, Department of Interior, 1620 L Street NW., Suite 1075, Washington, DC 20036.

To be considered timely, your protest must be postmarked no later than the last day of the protest period. Though not a requirement, we suggest you send your protest by certified mail, return receipt requested. You are also encouraged, but not required, to forward a copy of your protest to the Project Manager at the address listed below. This may allow us to resolve the protest through clarification of intent or alternative dispute resolution methods.

Please note that comments and protests, including names and street addresses, are available for public review and/or release under the Freedom of Information Act (FOIA).

Individual respondents may request confidentiality. Respondents who wish to withhold name and/or street address from public review or from disclosure under FOIA, must state this prominently at the beginning of the written comment. Such request will be honored to the extent allowed by law. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or official organizations or business, will be made available for public inspection in their entirety.

The Director will promptly render a decision on the protest. This decision will be in writing and will be sent to the protesting party by certified mail, return receipt requested. The decision of the Director shall be the final decision of the Department of the Interior.

Timothy B. Reuwsaat,

Medford District Manager, Bureau of Land Management.
