VF Intimates, LP Johnstown, PA; Notice of Determination of Alternative Trade Adjustment Assistance on Remand

The U.S. Court of International Trade
(USCIT) granted the Department of
Labor's motion for a voluntary remand
for further investigation in *Former
Employees of VF Intimates, Inc. v.
Elaine Chao, U.S. Secretary of Labor*,
No. 05-00052, on April 4, 2005.

Workers of VF Intimates, LP,
Johnstown, Pennsylvania were certified
as eligible to apply for Trade
Adjustment Assistance (TAA) on June
15, 2004. The Notice of determination
was published in the **Federal Register**
on April 1, 2005 (70 FR 16847). An
Amended Certification Regarding
Eligibility to Apply for Worker

Adjustment Assistance for workers of
the subject company was issued on July
21, 2004 and published in the **Federal
Register** on August 4, 2004 (69 FR
47184).

By letter dated September 29, 2004, a
company official requested that the
Department consider certification for
Alternative Trade Adjustment
Assistance (ATAA) for workers and
former workers covered by petition TA-
W-54,952. The request was dismissed
because the application for ATAA was
not filed with the TAA petition, as
required by the Secretary's
interpretation of section 246 of the
Trade Act, Training and Employment
Guidance Letter No. 2-03 (August 6,
2003), 69 FR 60904, October 13, 2004.

By letter dated January 17, 2005, the
company official appealed to the USCIT,
asserting that the Department failed to
meet certain administrative obligations
by not conducting an ATAA
investigation solely because the request
for ATAA was not marked. Specifically,
the company official alleges that the
Department processed an incomplete
petition, erroneously assumed that
ATAA was not requested when the
question was unmarked, and failed to
provide petitioners with assistance and
adequate opportunity to request ATAA
because the requirements for applying
are ambiguous.

Upon further consideration, the
Department has determined that it is
appropriate to investigate the workers'
eligibility for ATAA benefits, given the
circumstances as presented, in order to
effectuate the purposes of the Trade Act
of 1974, as amended. The group
eligibility certification criteria for the
ATAA program under section 246 the
Trade Act of 1974, as amended,
established that the Department must
determine whether a significant number
of workers in the workers' firm are 50
years of age or older, whether the
workers in the workers' firm possess
skills that are not easily transferable,
and whether the competitive conditions
within the workers' industry are
adverse.

The remand investigation revealed
that at least five percent of the
workforce at the subject firm was at
least fifty years of age as of the date of
the petition (May 18, 2004), the workers
possess skills that are not easily
transferable, and competitive conditions
within the industry are adverse.

Conclusion

After careful review of the facts, I
conclude that the requirements of
Section 246 of the Trade Act of 1974, as
amended, have been met for workers at
the subject firm. In accordance with the

provisions of the Act, I make the
following certification:

"All workers at VF Intimates, LP,
Johnstown, Pennsylvania, who became
"totally or partially separated from
employment on or after March 6, 2004
through June 15, 2006, are eligible to apply
for adjustment assistance under section 223
of the Trade Act of 1974, and are also eligible
to apply for alternative trade adjustment
assistance under Section 246 of the Trade Act
of 1974."

Signed at Washington, DC, this 19th day of
May 2005.

Elliott S. Kushner,

*Certifying Officer, Division of Trade
Adjustment Assistance.*
