an industry in the United States is not materially retarded, by reason of imports from India of PET resin, provided for in subheading 3907.60.00 of the Harmonized Tariff Schedule of the United States, that have been found by the Department of Commerce (Commerce) to be subsidized by the Government of India.<sup>3</sup>

Notice of the scheduling of the final phase of the Commission's investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of November 17, 2004 (69 FR 67365).
