**Current Action:** The Corporation is requesting comments on plans to revise the survey of Volunteers in RSVP (Retired and Senior Volunteer Program), one of the three main Senior Corps programs. This study is being conducted under contract with Westat, Inc. to collect information about local project volunteer outputs and outcomes. This information is to be used by the Corporation in preparing its Annual Performance Reports and to help program managers to improve the quality of services provided and will aid the Corporation in making grant decisions as well as for responding to ad hoc requests from Congress and other interested parties.

The revised version of the Surveys will combine selected questions from the 2004 version of the Station Supervisor Surveys and the 2004 version of the Accomplishment Surveys (OMB control

number 3045-0049), to eliminate the need to conduct the latter.

Under the National and Community Service Act of 1990, each State commission must submit a State Service Plan every three years. Each State Commission, after consulting with other service providers in the State, is responsible for submitting a plan to assure that national service and volunteer service entities within the State are aware of each other and, to the extent possible, coordinate activities and use service to address state priorities. In 2006, States will submit their plans via letter or e-mail.
