SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-51153; File No. SR-SCCP-2005-01]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by Stock Clearing Corporation of Philadelphia Relating to the Extension of Its Fee Waiver for Electronic Communications Networks

February 8, 2005.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 20, 2005, Stock Clearing Corporation of Philadelphia ("SCCP") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by SCCP. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The purpose of the proposed rule change is to extend SCCP's existing fee waiver for ECN trades for an additional one-year period, through January 23, 2006, with the intention of attracting equity order flow from ECNs to the Exchange.

SCCP believes that its current program is a reasonable method to attract large order flow providers such as ECNs to the Exchange and SCCP. Additional order flow should enhance liquidity and improve the Exchange's, and therefore SCCP's, competitive position in equity trading and processing.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, SCCP included statements concerning the purpose of and basis for the

proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. SCCP has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

SCCP, pursuant to Section 19(b)(1) and Rule 19b-4 thereunder,³ proposes to amend its schedule of fees to extend SCCP's current one-year pilot program for an additional one-year period, through January 23, 2006, in order to continue the existing SCCP fee waivers for SCCP participants for trades executed on the Philadelphia Stock Exchange, Inc. ("Phlx" or "Exchange") for Electronic Communications Networks ("ECNs").⁴ The current pilot program is scheduled to expire on January 23, 2005.⁵

SCCP has implemented a fee waiver, since early 2001,⁶ such that SCCP waives certain fees and charges, including trade recording fees, value fees, treasury transaction charges, charges for non-specialist Nasdaq 100 Trust, Series 1 ("QQQ"),⁷ Standard & Poor's Depository Receipts®

³ 17 CFR 240.19b-4.

⁴ As stated on the SCCP fee schedule, ECNs shall mean any electronic system that widely disseminates to third parties orders entered therein by an Exchange market maker or over-the-counter ("OTC") market maker, and permits such orders to be executed against in whole or in part; except that the term ECN shall not include: any system that crosses multiple orders at one or more specified times at a single price set by the ECN (by algorithm or by any derivative pricing mechanism) and does not allow orders to be crossed or executed against directly by participants outside of such times; or, any system operated by, or on behalf of, an OTC market maker or exchange market maker that executes customer orders primarily against the account of such market maker as principal, other than riskless principal. See SEC Rule 11Ac1-1(a)(8).

("SPDRs")⁸ and DIAMONDS® Exchange Traded Funds ("DIAMONDS®")⁹ collectively "ETF charges") for ECN trades,¹⁰ but not account fees, research fees, computer transmission/tape charges, or other charges on its fee schedule. At this time, SCCP proposes to continue this fee waiver through January 23, 2006.

This proposal affects ECN trades not related to such ECN acting as a Phlx specialist or floor broker on the Phlx. Currently, no ECN operates from the Exchange's equity trading floor as a floor broker or specialist unit. If, however, an ECN did operate from the Phlx equity trading floor, it could be subject to various SCCP fees respecting its non-ECN floor operation. In addition, an ECN's transactions as a floor broker would be subject to the applicable SCCP fee, as would any ECN's specialist trades.¹¹ Even if the ECN is acting as a floor broker or specialist with respect to some trades, those trades for which it is not acting as a floor broker or specialist, but rather an ECN, would be eligible for this fee waiver.

SCCP believes that its proposal to extend its current pilot program for one year, thereby continuing to implement

¹⁰ Certain provisions of the SCCP Fee Schedule do not apply to ECNs because they apply to specialists and/or relate to margin financing, such as specialist discount, margin account interest, P&L statement charges, buy-ins, specialist ETF charges, and SCCP Transaction Charge (Remote Specialists Only).

¹¹ For example, an ECN acting as a specialist would be subject to the trade recording fee for specialist trades matching with PACE trades.

¹² No changes are being made to the SCCP fee schedule in connection with the ECN fee as described in this proposal. The Exchange, however, proposes to make a minor, technical change to delete a reference to a date when the fee schedule was last updated ("December 2004") in order to minimize any member confusion.

the existing SCCP fee waivers described above for ECNs, is consistent with Section 17A(b)(3)(D)¹³ of the Act because it provides for the equitable allocation of reasonable dues, fees, and other charges in order to attract new order flow to Phlx and SCCP. SCCP believes that structuring this fee for ECNs is appropriate, as ECNs are unique in their role as order flow providers to the Exchange. Specifically, ECNs operate a unique electronic agency business, similar to a securities exchange, as opposed to directly executing orders for their own customers as principal or agent.

B. Self-Regulatory Organization's Statement on Burden on Competition

SCCP does not believe that the proposed rule change will impose any inappropriate burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act¹⁴ and Rule 19b-4(f)(2)¹⁵ thereunder because it establishes or changes a due, fee, or other charge. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
