The company plans to manufacture small quantities of the listed controlled substances for reference standards.

No comments or objections have been received. DEA has considered the factors in 21 U.S.C. 823(a) and determined that the registration of Applied Science Labs to manufacture the listed basic classes of controlled substances is consistent with the public interest at this time. DEA has investigated Applied Science Labs to ensure that the company's registration is consistent with the public interest. The investigation has included inspection and testing of the company's physical security systems, verification of the company's compliance with state and local laws, and a review of the company's background and history. Therefore, pursuant to 21 U.S.C. 823, and in accordance with 21 CFR 1301.33, the above named company is granted registration as a bulk manufacturer of the basic classes of controlled substances listed.

The company plans to manufacture the listed controlled substances in bulk for distribution to its customers.

Any other such applicant and any person who is presently registered with DEA to manufacture such a substance may file comments or objections to the issuance of the proposed registration pursuant to 21 CFR 1301.33(a).

Any such written comments or objections being sent via regular mail may be addressed, in quintuplicate, to the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration, Washington, DC 20537, Attention: DEA Federal Register Representative, Liaison and Policy Section (ODL); or any being sent via express mail should be sent to DEA Headquarters, Attention: DEA Federal Register Representative/ODL, 2401 Jefferson-Davis Highway, Alexandria, Virginia 22301; and must be filed no later than June 24, 2005.

Dated: April 14, 2005.

[TA-W-56,168]

**AG Communication Systems, a Division of Lucent Technologies, Genoa, IL; Including Employees of AG Communication Systems, a Division of Lucent Technologies, Genoa, IL Working in the States of: TA-W-56,168A Florida, TA-W-56,168B Wisconsin, TA-W-56,168C California, TA-W-56,168D Texas; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance on January 4, 2005, applicable to workers of AG Communication Systems, a division of Lucent Technologies, Genoa, Illinois. The notice was published in the **Federal Register** on February 7, 2005 (70 FR 6460).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. New information shows that worker separations have occurred involving employees of AG Communication Systems, a division of Lucent Technologies, Genoa, Illinois working in Florida, Wisconsin, California and Texas. These employees provide support function services for the production of telecommunications equipment produced at the Genoa, Illinois location of the subject firm.

Based on these findings, the Department is amending this certification to include employees of AG Communication Systems, a division of Lucent Technologies, Genoa, Illinois working in Florida, Wisconsin, California and Texas.

The intent of the Department's certification is to include all workers of AG Communication Systems, a division of Lucent Technologies who were adversely affected by a shift in production to Malaysia.
