Section 157.208(d) of the Commission's Regulations provides for project cost limits applicable to construction, acquisition, operation and miscellaneous rearrangement of facilities (Table I) authorized under the blanket certificate procedure (Order No. 234, 19 FERC &61,216). SOCIAL SECURITY ADMINISTRATION

20 CFR Part 416

[Regulation No. 16]

RIN 0960-AF84

Determining Income and Resources Under the Supplemental Security Income (SSI) Program

AGENCY: Social Security Administration.
ACTION: Final rules.

SUMMARY: We are revising our regulations that explain how we determine an individual's income and resources under the supplemental security income (SSI) program in order to achieve three program simplifications. First, we are eliminating clothing from the definition of income and from the definition of in-kind support and maintenance. As a result, we generally will not count gifts of clothing as income when we decide whether a person can receive SSI benefits or when we compute the amount of the benefits. Second, we are changing our resource-counting rules in the SSI program by eliminating the dollar value limit for the exclusion of household goods and personal effects.
