#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

The National Aeronautics and Space Administration (NASA) is requesting renewal of an existing collection that is used to help NASA to assess the services provided by its procurement offices.

The NASA Procurement Customer Survey is used to determine whether NASA's Procurement Offices are providing an acceptable level of service to the business/educational community, and if not, which areas need improvement.

Respondents will be business concerns and educational institutions that have been awarded a NASA procurement, or are interested in receiving such an award.

##### II. Method of Collection

NASA uses electronic methods to collect information from collection respondents.

#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

The National Aeronautics and Space Administration (NASA) is requesting renewal of an existing collection that is used to ensure the proper disposition of rights to inventions made in the course of NASA-funded research. This information is required to monitor contract compliance in support of NASA's mission and in response to procurement requirements.

Collection of the information ensures proper use and disposition of rights in inventions and data developed under NASA contracts. Legal requirements for collection are set forth in 42 U.S.C. 2457, *et seq.*, and 35 U.S.C. 200, *et seq.*, Collection is prescribed in the NASA Federal Acquisition Regulation Supplement, Part 1827, Patents, Data and Copyrights (48 CFR Part 1827).

The information is used by NASA legal and contracting offices to ensure disposition of inventions in accordance with statutes and to determine the Government's rights in data.
