

4(f)(6)(iii) permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the five-day pre-filing requirement and the 30-day operative delay, as specified in Rule 19b-4(f)(6)(iii), and designate the proposed rule change immediately operative.

The Commission believes that waiving the five-day pre-filing provision and the 30-day operative delay is consistent with the protection of investors and the public interest.¹² By waiving the pre-filing requirement and accelerating the operative date, the Pilot Program can continue without interruption. The Commission believes that allowing the pilot to continue will allow Participants to either gather sufficient information to justify the need for the pilot program or determine that the exemption from trade-through liability is no longer necessary. Increasing the maximum number of contracts to be satisfied with respect to Satisfaction Orders in the last seven minutes of trading in options to 50 contracts will enhance customer order protection.

At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.¹³

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

¹² For purposes of accelerating the operative date of this proposal, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. 15 U.S.C. 78c(f).

¹³ For purposes of calculating the 60-day period within which the Commission may summarily abrogate the proposed rule change under Section 19(b)(3)(C) of the Act, the Commission considers the period to commence on January 28, 2005, the date the Exchange filed Amendment No. 1 to the proposed rule change. See 15 U.S.C. 78s(c)(3)(C).

Paper Comments

- Send paper comments in triplicate to Jonathan G. Katz, Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-51104; File No. SR-NYSE-2005-08]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by the New York Stock Exchange, Inc. Relating To Its Original Financial Listing Standards Pilot Program

January 28, 2005.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934

¹⁴ 17 CFR 200.30-3(a)(12).

(“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 13, 2005, the New York Stock Exchange, Inc. (“NYSE” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The proposed rule change has been filed by the NYSE as a “non-controversial” rule change pursuant to Rule 19b-4(f)(6) under the Act.³ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange seeks to extend its original financial listing standards pilot program (the “Pilot Program”)⁴ until the earlier of April 30, 2005, or such date as the Commission may approve File Number SR-NYSE-2004-20,⁵ which seeks permanent approval of the Pilot Program. The Pilot Program established revised financial standards applicable to the listing of equity securities on the Exchange. The Pilot Program is currently in effect on an extended basis until the earlier of January 31, 2004, or such date as the Commission may approve File Number SR-NYSE-2004-20.⁶

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

⁶ The Exchange previously extended the Pilot Program from June 30, 2004 until October 31, 2004 in Securities Exchange Act Release No. 50123, *supra* note 4. The Exchange later extended the Pilot Program until January 31, 2005 in Securities Exchange Act Release No. 50615, *supra* note 4.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On January 29, 2004, the Commission granted accelerated approval to the Pilot Program on a six-month pilot basis through July 30, 2004.⁷ Two comments were received in response to File Number SR-NYSE-2003-43.⁸ The NYSE thereafter filed File Number SR-NYSE-2004-15 on March 16, 2004 for immediate effectiveness,⁹ which suspended portions of the original Pilot Program regarding minimum numerical continued listing set forth in Section 802.01B of the NYSE's Listed Company Manual. In File Number SR-NYSE-2004-15, the Exchange noted its intention to publish the requirements of the original Pilot Program regarding minimum numerical continued listing standards set forth Section 802.01B for public comment on a non-accelerated timeframe. File Number SR-NYSE-2004-15 did not, however, affect the Pilot Program with respect to original listing standards set forth in Sections 102.01C and 103.01B of the NYSE's Listed Company Manual or the Pilot Program's non-substantive change to the language of Section 802.01C.

On April 4, 2004, the Exchange filed File Number SR-NYSE-2004-20, which seeks permanent approval for the Pilot Program currently in effect with respect to the Exchange's original minimum listing standards and approval of the continued minimum listing standards as originally proposed in File Number SR-NYSE-2003-43. File Number SR-NYSE-2004-20 was published in the **Federal Register** on July 2, 2004.¹⁰ Three comment letters were received in response to File Number SR-NYSE-2004-20.¹¹ Following consideration of these comment letters, the Exchange filed Amendment No. 2 to File Number SR-NYSE-2004-20 on August 31,

⁸ See letters to Jonathan G. Katz, Secretary, Commission, from W. Randy Eaddy, Kilpatrick Stockton LLP, dated March 11, 2004, and Kenneth A. Hoogstra, von Briesen & Roper, s.c., dated February 25, 2004.

⁹ See Securities Exchange Act Release No. 49443 (March 18, 2004), 69 FR 13929 (March 24, 2004) (File No. SR-NYSE-2004-15).

¹⁰ See supra note 5.

¹¹ See letters to Jonathan G. Katz, Secretary, Commission, from Richard F. Latour, President & CEO, MicroFinancial Incorporated, July 15, 2004, Kenneth A. Hoogstra, von Briesen & Roper, s.c., dated July 20, 2004, and John L. Patenaude, Vice President Finance and Chief Financial Officer, Nashua Corporation, dated July 22, 2004.

2004.¹² On October 12, 2004, the Exchange filed File Number SR-NYSE-2004-58 to extend the Pilot Program until January 31, 2005.¹³ Thereafter, the Exchange filed amendments to File Number SR-NYSE-2004-20 on November 29, 2004,¹⁴ December 17, 2004,¹⁵ and January 25, 2005.¹⁶ Therefore, the Exchange believes it is appropriate to extend the amended Pilot Program until the earlier of April 30, 2005, or such date as the Commission may approve File Number SR-NYSE-2004-20.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b)(5) of the Act¹⁷ because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change (1) does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) by its terms, does not become operative until 30 days from the date on which it was filed, or such shorter time

as the Commission may designate if consistent with the protection of investors and the public interest, and the Exchange provided the Commission with written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁸ and Rule 19b-4(f)(6) thereunder.¹⁹ At any time within 60 days of the filing of this proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

Although Rule 19b-4(f)(6) under the Act²⁰ requires that an Exchange submit a notice of its intent to file at least five business days prior to the filing date, the Commission is waiving this requirement at the Exchange's request in view of the fact that the proposed rule change seeks to continue the existing Pilot Program. The NYSE has also requested that the Commission waive the 30-day operative delay. The Commission believes waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Waiver of the operative date will allow the Exchange's Pilot Program to continue without any interruption in service to issuers and investors. For these reasons, the Commission designates the proposal to be effective and operative upon filing with the Commission.²¹

IV. Solicitation of Comments

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-51091; File No. SR-NYSE-2005-01]

Self-Regulatory Organizations; New York Stock Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Two Crossing Sessions in the Exchange's Off-Hours Trading Facility

January 28, 2005.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 4, 2005, the New York Stock Exchange, Inc. ("NYSE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6) thereunder, which renders it effective upon filing with the Commission.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The proposed rule change makes operative the following pilot programs until February 1, 2006: Crossing Session III, for the execution of guaranteed price coupled orders by member organizations to fill the balance of customer orders at a price that was guaranteed to a customer prior to the close of the Exchange's 9:30 a.m. to 4 p.m. trading session ("Crossing Session III"); and Crossing Session IV, whereby an unfilled balance of an order may be filled at a price such that the entire order is filled at no worse price than the Volume Weighted Average Price ("VWAP") for the subject security ("Crossing Session IV") (Crossing Session III and Crossing Session IV, the "Pilots").⁵

³ 15 U.S.C. 78s(b)(3)(A).

⁴ 17 CFR 240.19b-4(f)(6).

⁵ On November 12, 2004, the Exchange made an electronic 19b-4 filing to extend the Pilots as of December 1, 2004, the date the Pilots were due to expire. The Commission did not receive this filing, however. With the instant proposed rule change, the Exchange is making the Pilots operative until February 1, 2006.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for the Proposed Rule Change

In its filing with the Commission, NYSE included statements concerning the purpose of, and basis, for the proposed rule change and discussed any comments it received on the proposed rule change. The text of the proposed rule change is available on the NYSE's Web site (<http://www.nyse.com>), at the NYSE's Office of the Secretary, and at the Commission's Public Reference Room. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

In SR-NYSE-2002-40,⁶ the Commission approved the establishment of the Pilots in the Exchange's Off-Hours Trading Facility ("OHTF"), expiring on December 1, 2004. The instant proposed rule change makes the Pilots operative until February 1, 2006. No changes have been made to the manner in which the Pilots operate.⁷

Background

The purpose of SR-NYSE-2002-40 was to add two pilot programs, Crossing Session III and Crossing Session IV, to the OHTF. Before the proposed rule change, the OHTF consisted of Crossing Sessions I and II. Crossing Session I permits the execution, at the Exchange's closing price, of single-stock, single-sided closing price orders and crosses of single-stock, closing price buy and sell orders. Crossing Session II permits the execution of crosses of multiple-stock ("basket") aggregate price buy and sell orders. For Crossing Session II, trade reporting is accomplished by reporting to the Consolidated Tape the total number of shares and the total market value of the aggregate-price trades. There is no indication of the individual component stocks involved in the aggregate-price transactions.
