

- including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
 - Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

(1) *Type of information collection:* New information collection.

(2) *The title of the form/collection:* State Court Processing Statistics, 2006.

(3) *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* Form Number: SCPS-06. Bureau of Justice Statistics, Office of Justice Programs.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: State, Local, or Tribal Government. Other: Not-for-profit institutions. State Trial Courts and Pretrial Agencies. Abstract: The SCPS project is a recurring data collection involving the examination of felony cases processed in 40 large urban counties chosen to be representative of the 75 largest counties in the U.S. Approximately 15,000 felony cases are tracked for up to 1 year with data collected on the pretrial, adjudication, and sentencing phases of the criminal court process.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that information will be collected on a total of 15,000 felony cases from 40 responding counties. Public reporting burden for this collection of information is estimated to average one hour for each data collection form coded manually and half an hour for each data collection form completed through automated downloads.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The estimated public burden associated with this collection is 13,850 hours.

Notice of Information Collection

AGENCY: National Aeronautics and Space Administration (NASA).

ACTION: Notice of information collection.

SUMMARY: The National Aeronautics and Space Administration, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995 (Pub. L. 104-13, 44 U.S.C. 3506(c)(2)(A)).

DATES: All comments should be submitted within 60 calendar days from the date of this publication.

ADDRESSES: All comments should be addressed to Mr. Walter Kit, Reports Officer, Office of the Chief Information Officer, Mail Suite JA000, National Aeronautics and Space Administration, Washington, DC 20546-0001.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument(s) and instructions should be directed to Mr. Walter Kit, Reports Officer, Office of the Chief Information Officer, NASA Headquarters, 300 E Street SW., Mail Suite JA000, Washington, DC 20546, (202) 358-1350, walter.kit-1@nasa.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

The Federal Automotive Statistical Tool (FAST) Reporting of Government-Owned Contractor-Operated Vehicles is an information collection required by Executive Order 13149, "Greening the Government through Federal Fleet and Transportation Efficiency," section 505. This order requires Federal agencies to ensure that all Government-owned contractor-operated vehicles comply with all applicable goals and other requirements of this order and that these goals and requirements are incorporated into each contractor's management contract. This order requires the Department of Energy (DOE) to issue guidance to agencies and to establish

the data collection and reporting system for collecting annual agency performance data on meeting the goals of the order and other applicable statutes and policies, as stated in section 301(b).

In July 2000, the DOE prepared the Guidance Document for Federal agencies, as required by Executive Order 13149. Section 2-3 requires agencies to report using DOE's Federal Automotive Statistical Tool (FAST). FAST is accessed through <http://fastweb.inel.gov/>.

II. Method of Collection

NASA collects this information electronically through <http://fastweb.inel.gov/>.

III. Data

Title: Federal Automotive Statistical Tool (FAST) Reporting of Government-Owned Contractor-Operated Vehicles.

OMB Number: 2700-0106.

Type of Review: Extension of a currently approved collection.

Affected Public: Federal Government and Business or other for-profit.

Estimated Number of Respondents: 93.

Estimated Time Per Response: 15 min/vehicle.

Estimated Total Annual Burden Hours: 425.

Estimated Total Annual Cost: \$0.

IV. Requests for Comments

Comments are invited on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of NASA, including whether the information collected has practical utility; (2) the accuracy of NASA's estimate of the burden (including hours and cost) of the proposed collection of information; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including automated collection techniques or the use of other forms of information technology.

SUPPLEMENTARY INFORMATION:

I. Abstract

NASA's Destination Tomorrow is an adult science literacy program. The Destination Tomorrow Survey is required to continually modify and improve NASA's Destination Tomorrow™ program. NASA's Destination Tomorrow™ program is an educational resource for elementary teachers. Feedback from educators will help to modify and adjust this resource to meet the needs of educators.

The information is used by NASA Center for Distance Learning to effectively maintain and improve NASA's Destination Tomorrow™ program.

II. Method of Collection

NASA collects this information by means of a telephone survey that will be taken of registered station managers that air the show. Completion of this survey will be entirely voluntary.
