Its working groups may meet to consider specific issues as required. We are currently considering applications for two positions from the Barge and Towing Industry, one position from Port Districts, Authorities, or Terminal Operators, one position from Labor, and one position from the General Public. To be eligible, applicants should have particular expertise, knowledge, and experience relative to the position in towing operations, marine transportation, or business operations associated with shallow-draft inland and coastal waterway navigation and towing safety. Each member serves for a term of up to 4 years. A few members may serve consecutive terms. All members serve at their own expense and receive no salary, reimbursement of travel expenses, or other compensation from the Federal Government.

In support of the policy of the Department of Homeland Security on gender and ethnic diversity, we encourage qualified women and members of minority groups to apply.

Dated: April 18, 2005.
