SUPPLEMENTARY INFORMATION: *Title:* Domestic Reinvestment and Other Guidance under Section 965.

OMB Number: 1545-1926.

Regulation Project Number: 102132-05.

Abstract: This document provides guidance under new section 965 enacted by the American Jobs Creation Act of 2004 (Pub. L. 108-357). In general, and subject to limitations and conditions, section 965(a) provides that a corporation that is a U.S. shareholder of a controlled foreign corporation (CFC) may elect, for one taxable year, an 85 percent dividends received deduction (DRD) with respect to certain cash dividends it receives from its CFCs. Section 965(f) provides that taxpayers may elect the application of section 965 for either the taxpayer's last taxable year which begins before October 22, 2004, or the taxpayer's first taxable year which begins during the one-year period

beginning on October 22, 2004. In general, a taxpayer elects to apply section 965 to a taxable year by filing Form 8895 with its timely-filed tax return (including extensions) for such taxable year. If however, a taxpayer files its tax return for the taxable year to which the taxpayer intends to elect section 965 to apply prior to the issuance of Form 8895, the election must be made on a statement that is attached to its timely-filed tax return (including extensions) for such taxable year. In addition, because the taxpayer must establish to the satisfaction of the Commissioner that it has satisfied the conditions to take the DRD, the taxpayer is required under this guidance to report specified information and provide specified documentation.

Current Actions: There is no change to this existing regulation.

Type of Review: Extension of currently approved collection.

Affected Public: Business or other for-profit organizations.

Estimated Number of Respondents: 25,000.

Estimated Time Per Respondent: 150 hours.

Estimated Total Annual Burden Hours: 3,750,000.

The following paragraph applies to all of the collections of information covered by this notice:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

Request For Comments: Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation,

maintenance, and purchase of services to provide information.

Approved: March 29, 2005.
