

Description of Respondents: State, local, tribal, provincial, or Federal employees.

Total Annual Responses: 750.

Total Annual Burden Hours: 571 hours. We believe 70 percent of the respondents (525 persons) will enter data electronically, with an average reporting burden of 0.8 hours per respondent. For all other respondents, we estimate the reporting burden to be 0.67 hours per respondent.

We invite your comments concerning this information collection on: (1) Whether or not the collection of information is necessary for the proper performance of our migratory bird management functions, including whether or not the information will have practical utility; (2) the accuracy of the agency's estimate of burden, (3) ways to enhance the quality, utility and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on those who are to respond. The information collections in this program are part of a system of records covered by the Privacy Act (5 U.S.C. 552a).

Dated: October 4, 2005.
