Submission for OMB Review: Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act of 1995, Public Law 104–13.

Bureau: International Trade Administration.

Title: U.S. Commercial Service Trade Specialist Counseling Session Survey.

Agency Form Number: ITA–XXXX.

OMB Number: 0625–XXXX.

Type of Request: Regular Submission.

Burden: 170 hours.

Number of Respondents: 1700.

Avg. Hours Per Response: 10 minutes.

Needs and Uses: The International Trade Administration's U.S. Commercial Service is mandated by Congress to help U.S. businesses, particularly small and medium-sized companies, export their products and services to global markets. As part of its mission, the U.S. Commercial Service uses ''Quality Assurance Surveys'' to collect feedback from the U.S. business clients it serves. The subject survey deals with a particular aspect of service provided by U.S. Commercial Service trade specialists. These specialists counsel clients about their international marketing needs and work with the clients to provide ''global trade solutions.'' The subject survey asks clients whether they are satisfied with the counseling they have received from U.S. Commercial Service domestic trade specialists. Results from the survey will be used to make improvements to the agency's business processes, in order to provide better and more effective export assistance to U.S. companies.

Affected Public: U.S. companies who have participated in counseling sessions with U.S. Commercial Service trade specialists.

Frequency: Twice a year.

Respondent's Obligation: Voluntary.

OMB Desk Officer: David Rostker, (202) 395–7340.

Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: U.S. Census Bureau.

Title: Business and Professional Classification Report.

Form Number(s): SQ–CLASS.

Agency Approval Number: 0607–0189.

Type of Request: Revision of a currently approved collection.

Burden: 10,835 hours.

Number of Respondents: 50,000.

Avg. Hours Per Response: 13 minutes.

Needs and Uses: The U.S. Census Bureau sponsors the SQ–CLASS, ''Business and Professional Classification Report,'' to collect information needed to keep the retail, wholesale, and services samples current with the business universe. Because of rapid changes in the marketplace caused by the emergence of new businesses, the death of others, and changes in company organization, the Census Bureau canvasses a sample of new Employer Identification Numbers (EINs) obtained from the Internal Revenue Service (IRS) and the Social Security Administration (SSA). Each firm selected in this sample is canvassed once for data on the establishment(s) associated with the new EIN. A different sample of EINs is canvassed four times a year.

We are revising the layout and wording of Item 9 of the SQ–CLASS form and the corresponding section of the instruction sheet to improve the assignment of kind-of-business codes based on the North American Industry Classification System (NAICS). We do not expect these changes to increase burden.

The completed SQ–CLASS form provides sales, receipts, or revenue; company organization; new or refined NAICS codes; and other key information needed for sampling to maintain proper coverage of the universe. Based on the collected information, EINs meeting the criteria for inclusion in the Census Bureau's retail, wholesale, or service surveys are subjected to second sampling. The retail and wholesale EINs selected in this second sampling are placed on a panel to report in our monthly surveys. Additional panels of selected units are included in the annual surveys. The selected service EINs report on an annual basis.

Affected Public: Business or other for-profit; Not-for-profit institutions.

Frequency: Respondents are contacted only once.

Respondent's Obligation: Voluntary.

Legal Authority: 13 U.S.C. 182.

OMB Desk Officer: Susan Schechter, (202) 395–5103.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482–0266, Department of Commerce, room 6625, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at *dhynek@doc.gov*).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Susan Schechter, OMB Desk Officer either by fax ((202) 395–7245) or e-mail (*susan_schechter@omb.eop.gov*).

SUPPLEMENTARY INFORMATION:

I. Abstract

The Census Bureau plans to expand the currently approved Annual Trade Survey (ATS) to include agents, brokers and electronic markets (AGBR). The expanded survey will include a selected sample of firms operating offices facilitating sales between businesses in the United States. Data will be collected annually on sales, commissions, value of sales arranged for others, e-commerce sales, and operating expenses. Initially, we will request two years of data for the AGBR. Afterwards, we will request one year of data. The expanded survey will be mailed to a sample of firms on a company basis to reduce respondent burden. In order to set up reporting arrangements for companies we will contact them by phone and by mail. We will request data for calendar year. Two report forms will be developed to collect AGBR data. Two forms are needed to accommodate both large and small firms. The mailings will be conducted in January following the survey year requested. Respondents will have thirty days to complete the report form before a follow-up form is sent. Later, as needed, an additional follow-up form will be sent, and a telephone follow-up will be conducted.

This expansion of the ATS survey is being conducted to obtain a missing component of wholesale data. The current ATS collects data for merchant wholesalers, and MSBO, but does not obtain data for AGBRs. The Bureau of Economic Analysis (BEA) has made repeated requests for these data that they consider vital to accurately measuring sales for wholesale trade, and important inputs to BEA's preparation of National Income and Product accounts and their annual input-output tables. This expansion to ATS will provide annual data for the entire wholesale sector. Data will be published at the United States summary level for selected wholesale industries.

II. Method of Collection

We will collect this information by mail, Fax, and telephone follow-up.
