

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Nasdaq is proposing to modify the fee schedule applicable to execution and routing of orders in exchange-traded funds ("ETFs") listed on exchanges other than the American Stock Exchange ("Amex"). The change proposed by this filing applies to NASD members that use the Nasdaq Market Center and Brut; in SR-NASD-2005-126, Nasdaq is proposing to make the same change applicable to non-members that use Brut. Nasdaq states that currently, execution and routing of Nasdaq-listed stocks and Amex-listed ETFs is subject to the fee schedule in NASD Rule 7010(i)(1), whereas execution and routing of other exchange-listed securities, including other exchange-listed ETFs, is generally not subject to per order routing and execution charges. Because an increasing number of ETFs are being listed on exchanges other than the Amex, however, Nasdaq states that it has concluded that it is necessary to apply the same fee schedule to all ETFs, to ensure that its fees are commensurate with the volumes of shares being routed and executed through its systems.⁵

2. Statutory Basis

Nasdaq believes that the proposed rule change is consistent with the provisions of Section 15A of the Act,⁶ in general, and with Section 15A(b)(5) of the Act,⁷ in particular, in that the proposed rule change provides for the equitable allocation of reasonable dues, fees, and other charges among members and issuers and other persons using any facility or system which the NASD operates or controls. Nasdaq states that the proposed change reflects the increased extent to which ETFs are being listed on exchanges other than the Amex and would result in the application of the same fee schedule to all ETFs, regardless of where they are listed.

B. Self-Regulatory Organization's Statement on Burden on Competition

Nasdaq does not believe that the proposed rule change will result in any burden on competition that is not

necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Nasdaq states that written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is subject to Section 19(b)(3)(A)(ii) of the Act⁸ and subparagraph (f)(2) of Rule 19b-4⁹ thereunder because it establishes or changes a due, fee, or other charge imposed by the self-regulatory organization. Accordingly, the proposal is effective upon Commission receipt of the filing. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.¹⁰

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, Nasdaq included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item III below. Nasdaq has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

In SR–NASD–2005–125, which applies to NASD members, Nasdaq has modified the fee schedule applicable to execution and routing of orders in exchange-traded funds ("ETFs") listed on exchanges other than the American Stock Exchange ("Amex"). In this filing, Nasdaq is proposing to apply the same modification to non-NASD members that use Nasdaq's Brut Facility.

Nasdaq states that, prior to NASD–2005–125, execution and routing of Nasdaq-listed stocks and Amex-listed ETFs has been subject to the fee schedule in NASD Rule 7010(i)(1), whereas execution and routing of other exchange-listed securities, including other exchange-listed ETFs, had generally not been subject to per order routing and execution charges. Because an increasing number of ETFs are being listed on exchanges other than the Amex, however, Nasdaq states that it has concluded that it is necessary to apply the same fee schedule to all ETFs, to ensure that its fees are commensurate with the volumes of shares being routed and executed through its systems.

2. Statutory Basis

Nasdaq believes that the proposed rule change is consistent with the provisions of Section 15A of the Act,³ in general, and with Section 15A(b)(5) of the Act,⁴ in particular, in that the proposed rule change provides for the equitable allocation of reasonable dues, fees, and other charges among members and issuers and other persons using any facility or system which the NASD operates or controls. The proposed rule change applies to non-members that use Nasdaq's Brut Facility a fee change that is being implemented for NASD members that use the Nasdaq Market Center and/or Nasdaq's Brut Facility. Accordingly, Nasdaq believes that the proposed rule change promotes an equitable allocation of fees between members and non-members using Nasdaq's order execution facilities. Nasdaq states that the proposed change reflects the increased extent to which ETFs are being listed on exchanges other than the Amex and would result in the application of the same fee schedule to all ETFs, regardless of where they are listed.

B. Self-Regulatory Organization's Statement on Burden on Competition

Nasdaq does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Nasdaq states that written comments were neither solicited nor received.

III. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File Number SR–NASD–2005–126 on the subject line.

Paper Comments

- Send paper comments in triplicate to Jonathan G. Katz, Secretary, Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549–9303.

All submissions should refer to File Number SR–NASD–2005–126. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing also will be available for inspection and copying at Nasdaq's Office of the Secretary. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR–NASD–2005–126 and should be submitted on or before December 8, 2005.

IV. Commission's Findings and Order Granting Accelerated Approval of Proposed Rule Change

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a self-regulatory

organization.⁵ Specifically, the Commission believes that the proposed rule change is consistent with Section 15A(b)(5) of the Act,⁶ which requires that the rules of the self-regulatory organization provide for the equitable allocation of reasonable dues, fees, and other charges among members and issuers and other persons using any facilities or system which it operates or controls.

The Commission notes that this proposal would retroactively modify pricing for non-NASD members using the Nasdaq's Brut Facility to be implemented as of November 1, 2005. This proposal would permit the schedule for non-NASD members to mirror the schedule applicable to NASD members that became effective October 26, 2005, pursuant to SR-NASD-2005-125 and that Nasdaq stated it would implement on November 1, 2005.

The Commission finds good cause for approving the proposed rule change prior to the 30th day of the date of publication of the notice thereof in the **Federal Register**. The Commission notes that the proposed fees for non-NASD members are identical to those in SR-NASD-2005-125, which implemented those fees for NASD members and which became effective as of October 26, 2005. The Commission notes that this change will promote consistency in Nasdaq's fee schedule by applying the same pricing schedule with the same date of effectiveness for both NASD members and non-NASD members. Therefore, the Commission finds that there is good cause, consistent with Section 19(b)(2) of the Act,⁷ to approve the proposed change on an accelerated basis.

V. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁸ that the proposed rule change (File No. SR-NASD-2005-126), is approved on an accelerated basis.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁹

Jonathan G. Katz,
Secretary.

DEPARTMENT OF STATE

[Public Notice 5230]

Bureau of Educational and Cultural Affairs (ECA) Request for Grant Proposals: FY 2006 Eurasia/South Asia Teaching Excellence and Achievement Program

Announcement Type: New Cooperative Agreement.

Funding Opportunity Number: ECA/A/S/X-06-02.

Catalog of Federal Domestic Assistance Number: 00.000.

Key Dates: Application Deadline, January 12, 2006.

Executive Summary: The Fulbright Teacher Exchange Branch in the Office of Global Educational Programs of the Bureau of Educational and Cultural Affairs (ECA), U.S. Department of State, announces an open competition for an assistance award in the amount of \$2,750,000 to support the FY 2006 Eurasia/South Asia Teaching Excellence and Achievement Program, a series of concurrent six- to seven-week professional enrichment programs in the U.S. for outstanding secondary-level teachers from selected countries in Eurasia and South Asia, followed by subsequent programs involving U.S. teachers with the Eurasian and South Asian teachers in their countries.

Applicant organizations should be prepared to conduct recruitment and accommodate participants from the following countries: Armenia, Azerbaijan, Georgia, Kazakhstan, Kyrgyzstan, Tajikistan, Turkmenistan, Ukraine, Uzbekistan, Afghanistan, Bangladesh, India, Pakistan, and Sri Lanka. During the course of this two-year program, approximately 136 teachers of English as a Foreign Language (EFL) and the social sciences in groups of 20 to 25 teachers in each cohort will take part in U.S.-based professional development institutes to learn new teaching methodologies and approaches to curriculum development through workshops, seminars and, where possible, team-teaching in secondary-level classes with U.S. mentor teachers.

Approximately 36 outstanding U.S. teachers will subsequently travel to Eurasia and South Asia to take part in shorter programs with their Eurasian/South Asian counterparts.

To build on the achievements of the exchange visits, small grants will be awarded to individual foreign and U.S. teacher alumni in support of follow-on projects.

I. Funding Opportunity Description

Authority: Overall grant making authority for this program is contained in the Mutual Educational and Cultural Exchange Act of 1961, Public Law 87-256, as amended, also known as the Fulbright-Hays Act. The purpose of the Act is "to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of other countries * * *; to strengthen the ties which unite us with other nations by demonstrating the educational and cultural interests, developments, and achievements of the people of the United States and other nations * * * and thus to assist in the development of friendly, sympathetic and peaceful relations between the United States and the other countries of the world." The funding authority for the program above is provided through legislation.

Purpose: Overview: The Eurasia/South Asia Teaching Excellence and Achievement Program will expand the impact of the former Teaching Excellence Awards Program by bringing outstanding secondary school teachers from Eurasia and South Asia to the United States to augment their subject area teaching skills and knowledge of the U.S. The goals of the program are: (1) To contribute to the improvement and status of teaching in the participating countries; (2) to create resident experts on the U.S. in schools across the regions; (3) to develop long-lasting partnerships and mutual understanding between American and international teachers and their students; and (4) to provide opportunities for under-served foreign populations, especially women, to develop their leadership skills.

Proposals should outline three distinct program components:

A. A total of six six- to seven-week U.S.-based institutes (each comprising a group of 20 to 25 teachers from Eurasia and South Asia), three of which should occur concurrently in summer or fall of 2006, and three of which should occur concurrently in summer or fall of 2007;

B. Visits of four cohorts of U.S. teachers (two cohorts to each region) during the 2006-07 and 2007-08 academic years to reciprocate the visits of the Eurasian and South Asian teachers to the U.S.; and

C. Follow-on grants.

Applicant organizations should propose a calendar that will include a coherent sequence of program components for each of the two program years. Although the number of participants may be greater in the second year than the first, each year's
