[Docket No. WTO/DS-257]

**WTO Dispute Settlement Proceeding
Regarding Final Countervailing Duty
Determination With Respect to Certain
Softwood Lumber From Canada**

AGENCY: Office of the United States Trade Representative.

ACTION: Notice; request for comments.

SUMMARY: The Office of the United States Trade Representative (USTR) is providing notice that on January 14, 2005, at the request of Canada, the Dispute Settlement Body (DSB) of the World Trade Organization (WTO) established a dispute settlement panel under the Marrakesh Agreement Establishing the WTO. The panel is to examine whether the United States has implemented the recommendations and rulings of the DSB in a dispute involving a U.S. Department of Commerce (Commerce) countervailing duty investigation of certain softwood lumber products from Canada. On February 17, 2004, the DSB adopted its findings in that dispute, which rejected most of Canada's claims but found that,

consistent with the WTO Agreement on Subsidies and Countervailing Measures (SCM Agreement) and the General Agreement on Tariffs and Trade 1994 (GATT 1994), Commerce should have conducted an analysis of whether subsidies "pass through" from certain producers to others with respect to certain log sales. In response to the DSB's recommendations and rulings, Commerce conducted a pass-through analysis and issued a new determination revising the subsidy rate for the investigation from 18.79% to 18.62%. Canada subsequently requested the establishment of a dispute settlement panel, alleging that the United States had failed to implement the DSB's recommendations and rulings. The panel was established on January 14, 2005. USTR invites written comments from the public concerning the issues raised in this dispute.

DATES: Although USTR will accept any comments received during the course of the dispute settlement proceedings, comments should be submitted on or before March 3, 2005, to be assured of timely consideration by USTR.

ADDRESSES: Comments should be submitted (i) electronically, to FR0517@ustr.gov, Attn: "Canada Lumber Final CVD (DS257)" in the subject line, or (ii) by fax, to Sandy McKinzy at 202-395-3640, with a confirmation copy sent electronically to the e-mail address above.

FOR FURTHER INFORMATION CONTACT: L. Daniel Mullaney, Associate General Counsel, Office of the United States Trade Representative, 600 17th Street, NW., Washington, DC 20508, (202) 395-3150.

SUPPLEMENTARY INFORMATION: Section 127(b) of the Uruguay Round Agreements Act (URAA) (19 U.S.C. 3537(b)(1)) requires that notice and opportunity for comment be provided after the United States submits or receives a request for the establishment of a WTO dispute settlement panel. Pursuant to the WTO Understanding on Rules and Procedures Governing the Settlement of Disputes (DSU), the panel, which will hold its meetings in Geneva, Switzerland, is expected to issue a report on its findings and recommendations within approximately four months of the date it is established.

Prior WTO Proceedings

The dispute settlement panel and Appellate Body reports are publicly available in the USTR reading room and on the WTO Web site <http://www.wto.org>.

Article 21.5 Proceeding

Pursuant to the rules of the DSU, the United States and Canada agreed that the United States would have until December 17, 2004, to implement the recommendations and rulings of the DSB. To implement these recommendations and rulings, Commerce requested information from Canadian producers and from the Government of Canada and conducted a pass-through analysis, issuing a determination on December 6, 2004, that revised the subsidy rate for the investigation from 18.79% to 18.62%. On December 30, 2004, Canada alleged that the United States had not properly implemented the recommendations and rulings and requested the establishment of a dispute settlement panel under Article 21.5 of the DSU to review this implementation. The panel was established on January 14, 2005.

In its request under Article 21.5, Canada alleges that Commerce failed to implement the recommendations and rulings of the DSB by incorrectly (1) Limiting the pass-through analysis to only certain categories of sales; (2) determining that certain sales were not at arm's length and that a pass-through occurred; (3) applying the results of the pass-through analysis to a cash deposit rate "invalidated as a result of judicial review proceedings" and (4) not conducting a pass-through analysis in the first administrative review of the countervailing duty order that resulted from the countervailing duty investigation at issue.

The specific measures identified by Canada as inconsistent with U.S. WTO obligations under the SCM Agreement and the GATT 1994 are: (1) Notice of Implementation Under Section 129 of the Uruguay Round Agreements Act; Countervailing Measures Concerning Certain Softwood Lumber Products from Canada, 69 FR 75,305 (Dep't. Commerce December 16, 2004) and Section 129 Determination: Final Countervailing Duty Determination, Certain Softwood Lumber from Canada (December 6, 2004); (2) Notice of Amended Final Affirmative Countervailing Duty Determination and Notice of Countervailing Duty Order: Certain Softwood Lumber Products From Canada, 67 FR 36,070 (Dep't Commerce May 22, 2002); and (3) Notice of Final Results of Countervailing Duty Administrative Review and Rescission of Certain Company-Specific Reviews: Certain Softwood Lumber Products From Canada, 69 FR 75,917 (Dep't Commerce December 20, 2004) and Issues and Decision Memorandum: Final Results of Administrative Review:

Certain Softwood Lumber Products From Canada, December 13, 2004.

The European Communities has indicated its interest to participate in the dispute as a third party.

[Docket No. WTO/DS-320]

WTO Dispute Settlement Proceeding Regarding United States—Continued Suspension of Obligations in the EC—Hormones Dispute

AGENCY: Office of the United States Trade Representative.

ACTION: Notice; request for comments.

SUMMARY: The Office of the United States Trade Representative ("USTR") is providing notice that on January 13, 2005, the United States received from the European Communities ("EC") a request for the establishment of a panel under the Marrakesh Agreement Establishing the World Trade Organization ("WTO Agreement") regarding the U.S. suspension of obligations to the EC in the WTO dispute European Communities—Measures Concerning Meat and Meat Products (Hormones). The EC asserts that it has put into force new legislation that brings it into conformity with the recommendations and rulings of the Dispute Settlement Body ("DSB") and its obligations under the WTO Agreement on the Application of Sanitary and Phytosanitary Measures ("SPS Agreement"). The EC therefore challenges the continued U.S. suspension of obligations and imposition of import duties in excess of bound rates on imports from the EC, the alleged U.S. "unilateral determination" that the new EC legislation is in
