Abstract: The Closeout Report will be used by the Department of Education to determine whether recipients of GEAR UP have made substantial progress towards meeting the objectives of their respective projects, as outlined in their grant applications and/or subsequent work plans. In addition, the final report will enable the Department to evaluate each grant project's fiscal operations for the entire grant performance period, and compare total expenditures relative to Federal funds awarded, and actual cost-share/matching relative to the total amount in the approved grant application. This report is a means for grantees to share the overall experience of their projects and document achievements and concerns, and describe effects of their projects on participants being served; project barriers and major accomplishments; and evidence of sustainability. The report will be GEAR UP's primary method to collect/analyze data on students' high school graduation and immediate college enrollment rates.

FOR FURTHER INFORMATION CONTACT: Munira Mwalimu (202) 357-6906.

Correction: In the **Federal Register** of April 27, 2005, Volume 70, Number 80, in FR Doc. 05-8356, pages 21744-21745, in the paragraph on Committee Meetings, line 1, change the end time of the Assessment Development Committee Closed Session from 2 p.m. to 2:30 p.m. and change the open time from 2 p.m. to 2:30 p.m. The sentence will now read:

In the third paragraph on **SUPPLEMENTARY INFORMATION** the sentence "The Assessment Development Committee will meet in closed session on May 19 from 1 p.m. to 2 p.m. to review the Statement of Work for development of a Writing Framework and Specifications for the 2011 National Assessment of Educational Progress (NAEP) Writing Assessment" is hereby amended to read "The Assessment Development Committee will meet in closed session on May 19 from 1 p.m. to 2:30 p.m. to review the Statement of Work for development of a Writing Framework and Specifications for the 2011 National Assessment of Educational Progress (NAEP) Writing Assessment."
