SUMMARY: OPM is publishing notice of its computer matching program with the Social Security Administration (SSA) to meet the reporting requirements of Pub. L. 100-503. The purpose of this match is for SSA to establish the conditions under which the SSA agrees to disclose tax return and/or Social Security benefit information to OPM. The SSA records will be used in redetermining and recomputing the benefits of certain annuitants and survivors whose computations are based, in part, on military service performed after December 1956 under the Civil Service Retirement System (CSRS) and certain annuitants and survivors whose annuity computation under the Federal Employees Retirement System (FERS) have a CSRS component.

DATES: The matching program will begin 40 days after the **Federal Register** notice has been published and the letters to Congress and OMB have been issued. The matching program will continue for 18 months from the beginning date and may be extended an additional 12 months thereafter. The data exchange will begin at a date mutually agreed upon between OPM and SSA after February 2005, unless comments on the match are received that result in cancellation of the program. Subsequent matches will take place semi-annually on a recurring basis until one of the parties advises the other in writing of its

intention to reevaluate, modify and/or terminate the agreement.

ADDRESSES: Send comments to Marc Flaster, Chief, RIS Support Services Group, Office of Personnel Management, Room 4316, 1900 E Street, NW, Washington, DC 20415.

FOR FURTHER INFORMATION CONTACT: James Sparrow, (202) 606-1803.

SUPPLEMENTARY INFORMATION: The SSA will agree to provide OPM with the disclosure of tax return information. The SSA records will be used in redetermining and recomputing the benefits of certain annuitants and survivors whose computations are based, in part, on military service performed after December 1956 under the Civil Service Retirement System (CSRS) and certain annuitants and survivors whose annuity computation under the Federal Employees Retirement System (FERS) have a CSRS component. The SSA components responsible for the disclosure are the Office of Income Security Programs. The responsible component for OPM is the Center for Retirement and Insurance Services. OPM, as the agency actually using the results of this matching activity in its programs, will publish the notice required by Title 5 United States Code (U.S.C.) 552a(e)(12) in the **Federal Register**.

Report of Computer Matching Program Between the Office of Personnel Management and Social Security Administration

A. Participating Agencies

OPM and SSA.

B. Purpose of the Matching Program

This computer matching agreement sets forth the responsibilities of the Social Security Administration (SSA) and the Office of Personnel Management (OPM) with respect to information disclosed pursuant to this agreement and is executed under the Privacy Act of 1974, 5 U.S.C. 552a, as amended, and the regulations and guidance promulgated thereunder.

The systems of records are protected under the Privacy Act of 1974, as amended, and in accordance with Internal Revenue Manual 1.16.8, Physical Security Standards Handbook. Either OPM or SSA may make onsite inspection or make other provisions to ensure that adequate safeguards are being maintained by the other agency.

D. Privacy Safeguards and Security

Both SSA and OPM will safeguard information provided by the reciprocal agency as follows: Access to the records matched and to any records created by the match will be restricted to only those authorized employees and officials who need the records to perform their official duties in connection with the uses of the information authorized in the agreement. SSA and OPM will protect Federal Tax information in the same manner which IRS systems of records are protected under the Privacy Act of 1974, as amended, and in accordance with Internal Revenue Manual 1.16.8, Physical Security Standards Handbook.
