universities—Iowa State University,  
Kansas State University and the  
University of California—into a  
dynamic, electronically based center to

business strategists and outreach  
specialists to provide reliable  
information needed by independent

##### Foreign-Trade Zones Board

[Docket 10-2005]

#### Proposed Foreign-Trade Zone— Conroe (Montgomery County), TX; Application for Subzone, WLS Drilling Products, Inc. (Mining Drill Bits); Montgomery, TX

An application has been submitted to  
the Foreign-Trade Zones Board (the  
Board) by the City of Conroe, Texas,  
which has an application pending  
before the Board for FTZ status,  
requesting special-purpose subzone  
status for the warehousing facility  
(mining drill bits) of WLS Drilling  
Products, Inc., (WLS Drilling) in  
Montgomery, Texas. The application  
was submitted pursuant to the Foreign-  
Trade Zones Act, as amended (19 U.S.C.  
81a-81u), and the regulations of the  
Board (15 CFR part 400). It was formally  
filed on February 25, 2005.

The WLS Drilling facility is located at  
18904 Freeport Drive in Montgomery,  
Texas. The facility (8 employees; 7,000  
sq. ft. warehouse with adjacent 2,500 sq.  
ft. office on 5.2 acres) warehouses and  
distributes finished rotary rock drill bits  
used in the mining, construction, and  
oil and gas industries. WLS Drilling's  
imported drill bits currently enter the  
U.S. duty free. However, the application  
states that the imported products may  
become subject to duties in the future.  
WLS Drilling also indicates that,  
although no manufacturing authority is  
currently requested, there is the  
potential for manufacturing at the site in  
the future. Finally, the application states  
that the company will benefit from an  
FTZ-related exemption from local  
property tax.

In accordance with the Board's  
regulations, a member of the FTZ Staff  
has been designated examiner to  
investigate the application and report to  
the Board.

Public comment is invited from  
interested parties. Submissions (original  
and 3 copies) shall be addressed to the  
Board's Executive Secretary at one of  
the following addresses:
