Implementation of Section 207 of the Satellite Home Viewer Extension and Reauthorization Act of 2004, Reciprocal Bargaining Obligations

AGENCY: Federal Communications Commission.

ACTION: Notice of proposed rulemaking.

SUMMARY: In this document, the Commission seeks comment on the implementation of Section 207 of the Satellite Home Viewer Extension and Reauthorization Act of 2004 ("SHVERA"). Section 207 extends section 325(b)(3)(C) of the Communications Act until 2010 and amends that section to impose good faith retransmission consent bargaining obligations on multichannel video programming distributors ("MVPDs"). The Commission tentatively concludes that it should amend its existing good faith retransmission consent bargaining rules to apply equally to both broadcasters and MVPDs. The Commission also seeks comment on appropriate good faith retransmission consent negotiating standards for out-of-market significantly viewed television broadcast stations.
