Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the U.S. Securities and Exchange Commission (the "Commission") is soliciting comments on the collections of information summarized below. The Commission plans to submit these existing collections of information to the Office of Management and Budget ("OMB") for extension and approval.

The title for the collection of information is "Rule 30b1-5 under the Investment Company Act of 1940, Quarterly Filing of Schedule of Portfolio Holdings of Registered Management Investment Companies."

Rule 30b1-5 under the Investment Company Act of 1940 requires registered management investment companies, other than small business investment companies registered on Form N-5, to file a quarterly report via the Commission's EDGAR system on Form N-Q, not more than sixty calendar days after the close of each first and third fiscal quarter, containing their complete portfolio holdings.

The Commission estimates that there are 9,850 management investment companies and series that are governed by the rule. The Commission estimates that the annual burden associated with the rule is 1 hour per affected investment company or series. The total burden hours for rule 30b1-5 is 9,850 per year in the aggregate (9,850 responses × 1 hour per response). Estimates of average burden hours are made solely for the purposes of the Act, and are not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.

The collection of information under rule 30b1-5 is mandatory. The information provided under rule 30b1-5 is not kept confidential. The Commission may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper

performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to R. Corey Booth, Director/Chief Information Officer, Office of Information Technology, Securities and Exchange Commission, 100 F. Street, NE., Washington, DC 20549.
