National Park Service

Notice of Availability of a Draft General Management Plan, Draft Environmental Impact Statement for Great Falls Park, Virginia, a Site Within George Washington Memorial Parkway

AGENCY: National Park Service, National Capital Region.

ACTION: Notice.

SUMMARY: Pursuant to section 102(2)(c) of the National Environmental Policy

Act of 1969, the National Park Service announces the availability of a draft General Management Plan and Environmental Impact Statement (GMP/EIS) for Great Falls Park, McLean, Virginia. The GMP/EIS evaluates two alternatives for the park. The document describes and analyzes the environmental impacts of one action alternative and a no-action alternative. When approved, the plan will guide management actions during the next 15-20 years.

Alternatives: In Alternative A, the no action alternative, Great Falls Park would be maintained as evolved thus far. There would not be any major changes in resources management, visitor programs, or facilities beyond regular maintenance. In Alternative B, the preferred alternative, the visitor center would be rehabilitated to improve exhibits and establish an education component on resource protection; a trail management plan and climbing management plan would be developed to reduce potential damage to sensitive cultural and natural resources. One new facility would be constructed to replace existing maintenance buildings and United States Park Police (USPP) trailer that would all be removed. The new building would accommodate park staff offices (relocated from the visitor center), maintenance personnel and equipment, law enforcement staff offices, and a holding cell. The park would also construct a USPP horse stable off Jackson Lane within the park. All of the restroom facilities would be improved and expanded at current locations.

Public Review: A 60-day public review period for comment on the draft document will begin after publication of this notice. In order to facilitate the review process, public reading copies of the GMP/EIS will be available for review at the following locations: Great Falls Park, Visitor Center, 9200 Old Dominion Drive, McLean, Virginia 22102; George Washington Memorial Parkway, Turkey Run Park, McLean, Virginia 22101; Great Falls Library, 9830 Georgetown Pike, Great Falls, Virginia 22066.
