Wheelabrator North Andover, Inc.; Notice of Issuance of Order

September 16, 2005.

Wheelabrator North Andover, Inc. (Wheelabrator) filed an application for market-based rate authority, with an accompanying rate tariff. The proposed rate tariff provides for the sales of capacity and energy at market-based rates. Wheelabrator also requested

On September 14, 2005, pursuant to delegated authority, the Director, Division of Tariffs and Market Development—South, granted the request for blanket approval under part 34. The Director's order also stated that the Commission would publish a separate notice in the **Federal Register** establishing a period of time for the filing of protests. Absent a request to be heard in opposition by the deadline above, Wheelabrator is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of Wheelabrator, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of Wheelabrator's issuances of securities or assumptions of liability.
