Tennessee Gas Pipeline Company; Notice of Application

September 16, 2005.

Take notice that on September 6, 2005, Tennessee Gas Pipeline Company (Tennessee), 1001 Louisiana, Houston, Texas 77002, filed in Docket No. CP05-412-000, an application pursuant to section 7 of the Natural Gas Act and Part 157 of the regulations of the Federal Energy Regulatory Commission, for an order authorizing Tennessee to add a net 44,850 horsepower of compression at one new and six existing compressor stations located in Onondaga, Herkimer, Schoharie, Columbia, and Steuben Counties, New York; Worcester County, Massachusetts; and Potter County, Pennsylvania. The proposed facilities will provide an additional 136,300 Dekatherms per day of firm transportation service to Tennessee's New England Area market. Tennessee also requested that an order be issued by August 1, 2006, all as more fully set forth in the application which is on file with the Commission and open to public inspection. There are two ways to become involved in the Commission's review of this project. First, any person wishing to obtain legal status by becoming a party to the proceedings for this project should, before the comment date of this notice, file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, a motion to intervene in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the NGA (18 CFR 157.10). A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies of all documents filed by the applicant and by all other parties. A party must submit 14 copies of filings made with the Commission and must mail a copy to the applicant and to every other party in the proceeding. Only parties to the proceeding can ask for court review of Commission orders in the proceeding.

However, a person does not have to intervene in order to have comments considered. The second way to participate is by filing with the Secretary of the Commission, as soon as possible, an original and two copies of comments in support of or in opposition to this project. The Commission will consider these comments in determining the appropriate action to be taken, but the filing of a comment alone will not serve to make the filer a party to the proceeding. The Commission's rules require that persons filing comments in opposition to the project provide copies of their protests only to the party or parties directly involved in the protest.

Comments, protests and interventions may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under the "e-Filing" link.

Comment Date: October 6, 2005.

Secretary.
