SUPPLEMENTARY INFORMATION:

A. Purpose

Fixed-price contracts with prospective price redetermination provide for firm fixed prices for an initial period of the contract with prospective redetermination at stated times during performance. Fixed price contracts with retroactive price redetermination provide for a fixed ceiling price and retroactive price redetermination within the ceiling after completion of the contract. In order for the amounts of price adjustments to be determined, the firms performing under these contracts must provide information to the Government regarding their expenditures and anticipated costs. The information is used to establish fair price adjustments to Federal contracts.

AGENCIES: Department of Defense (DOD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

ACTION: Notice of request for public comments regarding an extension to an existing OMB clearance (9000-0080).

SUMMARY: Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Federal Acquisition Regulation (FAR) Secretariat has submitted to the Office of Management and Budget (OMB) a request to review and approve an extension of a currently approved information collection requirement concerning integrity of unit prices. A request for public comments was published in the **Federal Register** at 70 FR 40005, on July 12, 2005. No comments were received.

Public comments are particularly invited on: Whether this collection of information is necessary for the proper performance of functions of the FAR, and whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; ways to enhance the quality, utility, and clarity of the information to be collected; and ways in which we can minimize the burden of the collection of information on those who are to respond, through the use of appropriate technological collection techniques or other forms of information technology.

DATES: Submit comments on or before October 17, 2005.

ADDRESSES: Submit comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to the General Services Administration, FAR Secretariat (VIR), 1800 F Street, NW, Room 4035, Washington, DC 20405.

SUPPLEMENTARY INFORMATION:

A. Purpose

FAR 15.408(f) and the clause at FAR 52.215-14, Integrity of Unit Prices, require offerors and contractors under Federal contracts that are to be awarded without adequate price competition to identify in their proposals those supplies which they will not manufacture or to which they will not contribute significant value. The policies included in the FAR are required by section 501 of Public Law 98-577 (for the civilian agencies) and section 927 of Public Law 99-500 (for DOD and NASA). The rule contains no reporting requirements on contracts with commercial items.

FOR FURTHER INFORMATION CONTACT: Linda Nelson, Contract Policy Division, GSA (202) 501-1900.

SUPPLEMENTARY INFORMATION:

A. Purpose

Under the Qualified Products Program, an end item, or a component thereof, may be required to be prequalified. The solicitation at FAR 52.209-1, Qualification Requirements, requires offerors who have met the qualification requirements to identify the offeror's name, the manufacturer's name, source's name, the item name, service identification, and test number (to the extent known).

The contracting officer uses the information to determine eligibility for award when the clause at 52.209-1 is included in the solicitation. The offeror must insert the offeror's name, the manufacturer's name, source's name, the item name, service identification, and test number (to the extent known). Alternatively, items not yet listed may be considered for award upon the submission of evidence of qualification with the offer.

Take notice that the above-referenced pipelines tendered for filing their respective tariff sheets, pursuant to § 154.402 of the Commission's regulations, to reflect the Commission's change in the unit rate for the Annual Charge Adjustment (ACA) surcharge to be applied to rates for recovery of 2005 Annual Charges. The proposed effective date of the tariff sheets is October 1, 2005.

The above-referenced pipelines state that the purpose of their filings is to reflect the revised ACA effective for the twelve-month period beginning October 1, 2005. The pipelines further state that their tariff sheets reflect a decrease of \$0.0001 per Dth in the ACA adjustment surcharge, resulting in a new ACA rate of \$0.0018 Dth as specified by the Commission in its invoice dated June
