Take notice that the above-referenced pipelines tendered for filing their respective tariff sheets, pursuant to § 154.402 of the Commission's regulations, to reflect the Commission's change in the unit rate for the Annual Charge Adjustment (ACA) surcharge to be applied to rates for recovery of 2005 Annual Charges. The proposed effective date of the tariff sheets is October 1, 2005.

The above-referenced pipelines state that the purpose of their filings is to reflect the revised ACA effective for the twelve-month period beginning October 1, 2005. The pipelines further state that their tariff sheets reflect a decrease of \$0.0001 per Dth in the ACA adjustment surcharge, resulting in a new ACA rate of \$0.0018 Dth as specified by the Commission in its invoice dated June

30, 2005, for the Annual Charge Billing—Fiscal year 2005.

Due to the large number of pipelines that have filed to comply with the Annual Charge Adjustment Billing, the Commission is issuing this single notice of the filings included in the caption above.

Any person desiring to become part in any of the listed dockets must file a separate motion to intervene in each docket for which they wish party status.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the date as indicated below. Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.
