DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request

January 25, 2005.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Comments regarding (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be addressed to: Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), *Pamela_Beverly_OIRA_Submission@OMB.EOP.GOV* or fax (202) 395-5806 and to Departmental Clearance Office, USDA, OCIO, Mail Stop 7602, Washington, DC 20250-7602. Comments regarding these information collections are best assured of having their full effect if received within 30 days of this notification. Copies of the submission(s) may be obtained by calling (202) 720-8681.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to

the collection of information unless it displays a currently valid OMB control number.

Cooperative State Research, Education, and Extension Service

Title: Children, Youth, and Families at Risk (CYFAR) Year End Report.

OMB Control Number: 0524-NEW.

Summary of Collection: The Children, Youth, and Families at Risk (CYFAR) funding program supports community-based programs serving children, youth, and families in at risk environments. CYFAR funds are intended to support the development of high quality, effective programs based on research and to document the impact of these programs on intended audiences. The CYFAR Year End Report collects demographic and impact data from each community site, which is used by the Cooperative State Research, Education, and Extension Service (CSREES). Funding for the CYFAR is authorized under section 3(d) of the Smith-Lever Act (7 U.S.C. 341 *et seq.*), as amended and other relevant authorizing legislation, which provides jurisdictional basis for the establishment and operation of extension educational work for the benefit of youth and families in communities.

Need and Use of the Information: The CYFAR data is used to respond to requests for impact information from Congress, the White House, and other Federal agencies. Data from the CYFAR annual reports is used to refine and improve program focus and effectiveness. If this information were not collected CSREES would not be able to verify if CYFAR programs are reaching at risk, low-income audiences.

Description of Respondents: State, Local or Tribal Government.

Number of Respondents: 50.

Frequency of Responses: Reporting: Annually.

Total Burden Hours: 16,100.

Ruth Brown,

Departmental Information Collection Clearance Officer.

[Docket No. 04-027N]

FSIS Policy on Delinquent Payments for Voluntary Reimbursable Inspection Services

AGENCY: Food Safety and Inspection Service (FSIS), USDA.

ACTION: Notice.

SUMMARY: The Food Safety and Inspection Service (FSIS) is providing notice that it will not provide reimbursable voluntary inspection, certification, and identification services to persons who have delinquent accounts. FSIS charges fees for a variety of voluntary reimbursable inspection, certification, and identification services that it provides to official establishments and plants and non-official establishments, *e.g.*, warehouses, importers, and exporters. FSIS is required to recover the costs of the voluntary inspection, certification, and identification services it provides. FSIS will pursue the collection of debts owed to it for such services.

DATES: This notice is effective March 2, 2005.

FOR FURTHER INFORMATION CONTACT: For further information contact Teresa Ramsey, Deputy Director, Financial Management Division, Office of Management, FSIS, U.S. Department of Agriculture, 5601 Sunnyside Avenue, Mail Drop 5262 Beltsville, MD 20705, (301) 504-5885.

SUPPLEMENTARY INFORMATION:

Background

FSIS is providing notice of the actions it will take in regard to its provision of voluntary reimbursable inspection, certification, and identification services to persons who are delinquent in paying for such services. FSIS is authorized to charge fees for the voluntary inspection, certification, and identification services it provides pursuant to the Agricultural Marketing Act of 1946, as amended (7 U.S.C. 1621, *et seq.*). The regulations that currently authorize the charging of these fees are set forth in Title 9 of the Code of Federal Regulations in sections 350.7, 351.8, 351.9, 352.5, 354.100 through 354.110, 355.11, 355.12, 362.5, and part 592.

FSIS provides monthly bills to recipients of inspection, certification,

and identification services. Those bills indicate when payment is due. Payments not received when due are delinquent, thus resulting in the recipient of the services having a delinquent account.

As of the effective date of this notice, if payment for voluntary reimbursable inspection, certification, and identification services, including payment of interest, penalty, and administrative charges, is delinquent, the Agency will take the following actions:

- FSIS will send the recipient of the service a dated "dunning notice."
- FSIS will send a certified letter, along with a second dunning notice, to the recipient of the services if the requested payment in full is not received within 30 days of the date of the initial dunning notice. If payment in full is not received by FSIS within 14 days from the date the certified letter and second dunning notice are received, no further voluntary inspection, certification, and identification services will be provided until payment in full of the delinquent debt, including any interest, penalty, and administrative charges assessed, is received.

- If a debtor either fails to make payment in full of a delinquent debt or does not enter into a written repayment agreement with FSIS, the Agency will transfer the delinquent debt to the U.S. Department of the Treasury for cross-servicing in accordance with the Debt Collection Improvement Act of 1996, as amended. At the discretion of the Secretary of the U.S. Department of the Treasury, referral of a delinquent non-tax debt may be made to (A) any executive department or agency operating a debt collection center for collection action; (B) a private collection contractor operating under a contract for servicing or collection action; or (C) the U.S. Department of Justice for litigation.

This notice applies to the provision of reimbursable voluntary inspection, certification, and identification services provided pursuant to the Agricultural Marketing Act of 1946, as amended (7 U.S.C. 1621, *et seq.*) and regulations enacted thereunder.

Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, in an effort to ensure that the public and in particular minorities, women, and persons with disabilities, are aware of this notice, FSIS will announce it on-line through the FSIS Web page located at <http://www.fsis.usda.gov>.

FSIS also will make copies of this **Federal Register** publication available

through the FSIS Constituent Update, which is used to provide information regarding FSIS policies, procedures, regulations, **Federal Register** notices, FSIS public meetings, recalls, and other types of matters that could affect or would be of interest to our constituents and stakeholders. The update is communicated via Listserv, a free e-mail subscription service consisting of industry, trade, and farm groups, consumer interest groups, allied health professionals, scientific professionals, and other individuals who have requested to be included.

The update also is available on the FSIS Web page. Through Listserv and the Web page, FSIS is able to provide information to a much broader, more diverse audience.

In addition, FSIS offers an email subscription service which provides an automatic and customized notification when popular pages are updated, including **Federal Register** publications and related documents. This service is available at http://www.fsis.usda.gov/news_and_events/email_subscription/ and allows FSIS customers to sign up for subscription options across eight categories. Options range from recalls to export information to regulations, directives and notices. Customers can add or delete subscriptions themselves and have the option to password protect their account.
