Dear Manufacturer:

Subject: Updated MVECP Fee Filing Form

Enclosed is the revised MVECP fee filing form. Manufacturers should begin to use the revised form immediately. However, old forms already submitted will be accepted.

There are no changes to the data blocks on the revised fee filing form. The instructions on the front and back of the form have minor changes which clarify mailing procedures and the waiver process. The July 7, 1992 MVECP Fees guidance letter (CD-92-07) also applies to this revised fee filing form. Additional fee filing forms are available upon request.

If you have any questions regarding this matter, please contact your certification team representative.

Sincerely,

Robert E. Maxwell, Director
