

List of Establishments

28 B. ADDITIONAL LOCATIONS OF OPERATION

Column (a) - List separately any establishments of your company and its subsidiaries that were not included on the PRE-IDENTIFIED LOCATIONS OF OPERATION but were in operation and engaged in the industry printed in the mailing address section on the first page of the consolidated report form. If your company operates at locations for which you have received separate report forms, do not list them, instead complete those forms. For acquired establishments that you list, complete column (c2).

Column (b) - Report the number of hours and wages of production, development, and exploration workers; and amount received or due for work performed at each establishment whose payroll was reported on your Internal Revenue Service Forms 941, Employer's Quarterly Federal Tax Return. Include part-year operations. Do not combine data for establishments. If book figures are not available for each establishment, please provide your best **estimates**.

Column (c1) - Enter the code from the MAJOR ACTIVITY CODES list that best describes the activity of each establishment and specify the principal products or services.

Column (c2) - Complete for acquired establishments.
