

2007 ECONOMIC CENSUS Information Sector (Enterprise Support)

INFORMATION SHEET

This 2007 Economic Census information sheet covers "enterprise support" establishments engaged in the following areas of economic activity:

- Data Processing, Hosting, and Related Services

If an establishment is **NOT** engaged in one of these kinds of businesses, **DESCRIBE** its business or activity in item **19 AND COMPLETE** the report form as accurately as possible.

DEFINITION OF ESTABLISHMENT

An **establishment** is generally a single physical location where business is conducted or where services or industrial operations are performed. This includes all locations of a company or organization, including administrative offices, warehouses, etc., that were in operation at any time during 2007. Locations with no paid employees, including broadcasting antennas, telephone relay and switching stations, and other similar facilities, are not considered separate establishments.

DEFINITION OF AN ENTERPRISE

An **enterprise** or company is a business, service, or membership organization consisting of one or more establishments within the United States under common ownership or control. It includes all establishments of subsidiary companies, where there is more than 50 percent ownership, as well as establishments of firms which the enterprise has the power to direct or cause the direction of management and policies.

DEFINITION OF AN ENTERPRISE SUPPORT ESTABLISHMENT

An **enterprise support establishment** is an establishment that is primarily engaged in performing management, supervision, general administrative functions, and supporting services for other establishments of the same enterprise, rather than for the general public or other business firms.

GENERAL INSTRUCTIONS

Indicate in item **30** the exact dates covered.
- If an establishment stopped operating before January 1, 2007, mark (X) the box to indicate "None" in item **4**, indicate action and date in item **3**, and return the report form.

- If an establishment was closed, sold, or leased to another company or organization during 2007, complete the report form for the portion of 2007 that the establishment was operating as part of the company or organization.
- Receipts and payroll data should be rounded to the nearest thousand dollars as illustrated on the report form.
- If there are any questions or if any communication regarding a report form is necessary, reference the 11-digit Census File Number (CFN) shown in the mailing address.
- Please photocopy each report form for your records and return the originals.
- Public reporting burden for this collection of information is estimated to vary from 18 minutes to 5 hours and 6 minutes per response, with an average of 1 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
