1. All CPS Estimates are of weighted totals.
2. MSIS Total A is total enrolled in MSIS.
3. MSIS Total B is total MSIS without SCHIP.
4. MSIS Total C is total enrolled for full benefits.
5. MSIS Total D is total enrolled for full benefits, excluding residents of institutional-GQs.
6. MSIS Total E is total enrolled for full benefits, excluding residents of institutional-GQs and duplicative client accounts.
7. MSIS Total F is Total E excluding un-identified clients: those having records with un-validated SSNs.
8. CPS Total A uses MCAID.
9. CPS Total B uses Augmented-CAID.
10. CPS Total C uses explicitly reported in Medicaid: Augmented-CAID (excluding imputed or edited responses).

**Due to rounding, total values may not equal column or row sums.**
